B. It is a condition precedent to Assignee making the Loan that Assignor collaterally assign, transfer and set over to Assignee, any and all right, title and interest of Assignor in, to and under the PPA, the O&M Agreement and the Site Lease, and any and all replacements, substitutions, additions and proceeds thereof (collectively, the "Project Agreements") and the "Project Revenues" (as hereinafter defined), as additional security and collateral for the payment and performance by Assignor of the Loan and all of Assignor's obligations under the Loan Documents.

FOR VALUE RECEIVED, Assignor hereby collaterally assign, transfer and set over to Assignee, including as "Service Provider" under the PPA, all right, title and interest of Assignor in, to and under the following:

(i) any and all Project Agreements described in the Loan Agreement, together with all other leases, subleases, licenses, concessions, rental agreements and any other agreements leasing or otherwise creating the right of possession or right of use without transfer of title, whether written or oral, now or hereafter existing, in the System and/or the Project, and all other leases, subleases, licenses, concessions, rental agreements and any other agreements, and all substitutions, additions, modifications, extensions and renewals thereof, together with all the right, power and authority of Assignor, subject to the Loan Documents, to alter, modify or change the terms of the Project Agreements, to surrender, cancel or terminate the Project Agreements, and to sell the System covered by the PPA, and all proceeds and products of any or all of the foregoing, including without limitation all monies, insurance proceeds and other tangible or intangible property received upon a sale or other disposition of the System pursuant to the terms of the Project Agreements or otherwise;

(ii) any and all guarantees which may exist from time to time of the obligations of Host, Applicant or any other off-taker under the Site Lease or the PPA;

(iii) the immediate and continuing right to collect and receive all rents, income, receipts, revenues, issues and profits now due or which may become due, or to which Assignor may now or shall hereafter (whether upon the expiration of any applicable period of redemption, or otherwise) be or become entitled, or may demand or claim, arising or issuing from or out of the Project Agreements, of any guarantee thereof, or derived from or out of the operation of the System or any part thereof, or from any accounts into which the same may have been or may be deposited, all tax and insurance contributions and deposits, if any, deficiency rents, damages and/or liquidated damages following default, premiums payable upon the exercise of a termination or cancellation privilege provided for in any of the Project Agreements and all proceeds payable under any policy of insurance covering loss of rents or business interruption with respect to the Project Agreements or the System, together with any and all rights and claims of any kind which Assignor now has or may hereafter have against Host, Applicant or any other

off-taker of Energy under any Project Agreements (all of the foregoing being collectively hereinafter referred to as "Project Revenues"); and

(iv) all replacements, substitutions, additions and the proceeds of the foregoing, together with any and all extensions, modifications, amendments, and renewals thereof.

IT IS FURTHER UNDERSTOOD AND AGREED THAT:

1. Subject to Section 6 below, Assignor hereby constitutes and appoints Assignee and its successors and assigns and its agents and attorneys as its true and lawful attorney, coupled with an interest, in the name, place and stead of Assignor, with or without taking possession of the Project or System, personally or by receiver, at the option of Assignee at any time and from time to time; and to sell, transfer or assign all or any number of the Project Agreements to any party or parties upon such terms as Assignee shall, in its sole discretion, determine and to demand, to sue for, attach, levy, settle, compromise, recover, collect and receive all Project Revenues and any premium or penalty payable from Host, and to avail itself of and pursue all remedies for the enforcement of the Project Agreements and Assignor's rights in and under the Project Agreements, all in the same manner as Assignor might have done but for this Assignment. The foregoing appointment is irrevocable and continuing and such rights, powers and privileges shall be exclusive in Assignee, its successors and assigns so long as any part of the Indebtedness secured hereby remains unpaid and undischarged. Assignor hereby ratifies and confirms all that its said attorneys or Assignee shall do or cause to be done by virtue of the powers granted hereby.

2. Assignor represents and warrants to, and covenants with, Assignee as follows: Assignor is the (i) the "Service Provider", and possesses all of the rights of the "Service Provider", under and as defined in the PPA; (ii) is the "Owner", and possesses all of the rights of the "Owner", under and as defined in the O&M Agreement; and (iii) the "Lessee", and possesses all of the rights of the "Lessee", under and as defined in the Site Lease; (b) as of the date hereof, Assignor has not assigned or pledged the Project Agreements or Project Revenues or any interest therein; (c) as of the date hereof, the Project Agreements are in full force and effect; as of the date hereof, no default exists on the part of Assignor, as Service Provider, Owner or Landlord, as applicable, or, to Assignor's knowledge, on the part of (x) any Applicant of the Project who is party to a PPA, (y) Bright Power or (z) Host or Applicant, as applicable, except as disclosed to Assignee, in the performance of the terms, covenants, provisions or agreements in the Project Agreements and Assignor knows of no condition which, with the giving of notice or the passage of time, or both, would constitute such a default except as disclosed to Assignee; (d) no Project Revenues have been paid by Host, Applicant or any other off-taker of Energy in advance; except as required by Law or as otherwise permitted by Assignee; (e) no payment of Project Revenues under the Project Agreements has been or will be waived, released, reduced, discounted or otherwise discharged or compromised by Assignor; and (f), upon request of Assignee, Assignor will obtain executed consents to this Assignment from each of the parties to the Project Documents, such consents to be substantially the same as the form of Consent and Agreement attached hereto as Exhibit A.

3. Assignor agrees as follows:

3.1. Except in the ordinary course of business, or as otherwise permitted under the Loan Agreement, Assignor shall not modify or amend any Project Agreements or any of the terms thereof, or grant any concessions in connection therewith, either orally or in writing, or accept a surrender thereof, without, in each instance, the prior written consent of Assignee in Assignee's sole discretion (provided, however, Assignee shall respond to any request for approval from Assignor within fifteen (15) calendar days, or Assignor's request shall be deemed disapproved) and any attempted modification or amendment, any grant of any concession or any acceptance of a surrender of, or in respect of, any of the Project Agreements without such prior written consent shall be null and void;

3.2. Assignor shall not collect any of the Project Revenues arising or accruing under any of the Project Agreements in advance of the time when the same become due (other than permitted prepayments of any Project Agreements in accordance with its terms);

3.3. Assignor shall not discount any future accruing Project Revenues;

3.4. Assignor shall not execute any other assignments of any of the Project Agreements or any interest therein or in any of the Project Revenues;

3.5. Assignor shall perform all of Assignor's covenants and agreements as Owner under the PPA;

3.6. Assignor shall not suffer or permit to occur any release of liability of the Host, Applicant or any other off-taker of Energy or other services under the PPA, and shall not permit any Applicant to withhold payment due Assignor under any PPA;

3.7. Assignor shall, if so requested by Assignee, enforce the Project Agreements consistent with prudent business practices and all remedies available to Assignor against Host, Applicant or any other off-taker under the PPA, Bright Power under the O&M agreement and the Host under the Site Lease; and

3.8. Assignor shall not consent to any assignments of any of the Project Agreements, or any subletting thereunder, without the prior written consent of Assignee, except in accordance with their respective terms and the terms of the Loan Agreement.

4. This Assignment is given as additional security for the payment of the Note, all sums due under the Loan Agreement and all other sums secured by the Loan Documents. All amounts collected hereunder, after deducting the expenses of operation of the System pursuant to the Project Agreements and after deducting the expenses of collection, shall be applied on account of the Indebtedness secured hereby and by the other Loan Documents, or in such other manner as may be provided for in the Loan Agreement, or in any general assignment of rents given as additional security for said Indebtedness.

5. Notwithstanding anything in this Assignment to the contrary, but without limiting the generality of the present and absolute assignment hereby established, it is expressly understood and agreed that, until the occurrence of an Event of Default and the expiration of any applicable cure period, Assignee shall not exercise any of the rights or powers herein conferred upon it and Assignor shall have the right, under a license (revocable under the terms of this Section) granted hereby, and Assignee hereby grants to Assignor such a revocable license, to collect (either directly or by utilizing the services of Servicer), but not more than one (1) month in advance, all of the Project Revenues and to use and apply the Project Revenues in any manner not inconsistent with this Assignment, the Loan Agreement, the Note or any of the other Loan Documents, but only as trustee for the benefit of Assignee. Upon the occurrence and during the continuance of an Event of Default, the license granted hereby shall be revoked automatically (and without the necessity of taking any action) and Assignee shall be entitled, upon notice to Host, Applicant or any other off-taker of Energy, to all Project Revenues and other amounts then due or thereafter accruing under the PPA. This Assignment shall constitute a direction to and full authority to Host, Applicant or any off-taker of Energy to pay all such amounts to Assignee without proof of the default relied upon. Host, Applicant and any off-taker is hereby irrevocably authorized to rely upon and comply with (and shall be fully protected in so doing) any notice or demand by Assignee for the payment to Assignee of any rental or other sums which may be or thereafter become due under the PPA, or for the performance of Host's, Applicant's or any off-taker's undertakings under the Project Agreements and shall have no right or duty to inquire as to whether any default under the Loan Documents has actually occurred or is then existing.

6. In the exercise of the powers herein granted to Assignee, no liability shall be asserted or enforced against Assignee, all such liability being hereby expressly waived and released by Assignor, unless such liability results from Assignee's or its employee's or agent's acts or omissions constituting gross negligence or willful misconduct. Assignee shall not be obligated to perform or discharge any obligation, duty or liability under any of the Project Agreements or under or by reason of this Assignment. Assignor shall and do hereby agree to defend and indemnify Assignee and to hold it harmless of and from any and all liability, loss or damage which it may or might incur under any of the Project Agreements or

under or by reason of this Assignment and of and from any and all claims and demands whatsoever which may be asserted against it by reason of any alleged obligations or undertakings on its part to perform or discharge any of the terms, covenants or agreements contained in any of the Project Agreements, unless the liability, loss or damage results from Assignee's or its employees' or agent's acts or omissions constituting gross negligence or willful misconduct. Should Assignee incur any such liability, loss or damage under any of the Project Agreements or under or by reason of this Assignment, other than liability, loss or damage arising from the gross negligence or willful misconduct of Assignee or its employees or agents, or in the defense of any such claims or demands, the amount thereof, including costs, expenses and reasonable attorneys' fees, shall be secured by this Assignment and the other Loan Documents, and Assignor shall reimburse Assignee therefor immediately upon demand.

7. The acceptance by Assignee of the assignment provided herein, together with all of the rights, powers, privileges and authority created herein, shall not, prior to taking possession of the System by Assignee, be deemed or construed to constitute Assignee as a trustee, nor thereafter or at any time or in any event obligate Assignee to appear in or defend any action or proceeding relating to the Project Agreements, the Project Revenues or the System or to take any action hereunder or to expend any money or incur any expenses or perform or discharge any obligation, duty or liability under any Project Agreements or to assume any obligation or responsibility for any security or other deposits delivered to Assignor by Host or any Applicant, nor shall Assignee be liable in any way for any injury or damage to person or property sustained by any person or persons, firm or corporation in or about the land or facilities where the System are situated.

8. Any amounts received by Assignor or their respective agents for performance of any actions prohibited by the terms of this Assignment, including any amounts received in connection with any cancellation, modification or amendment of any of the Project Agreements prohibited by the terms of this Assignment, and any amounts received by Assignor as Project Revenues, income, issues, or profits from the System from and after the occurrence of any Event of Default under the Loan Agreement or under any of the other Loan Documents, shall be held by Assignor as trustee for Assignee and all such amounts shall be accounted for to Assignee and shall not be commingled with other funds of Assignor. Any person acquiring or receiving all or any portion of such trust funds shall acquire or receive the same in trust for Assignee as if such person had actual or constructive notice that such funds were impressed with a trust in accordance herewith.

9. In the event Host, Applicant or any other off-taker of Energy should be the subject of any proceeding under the Federal Bankruptcy Code, as amended from time to time, or any other federal, state, or local statute which provides for the possible termination or rejection of the Project Agreements assigned hereby, Assignor covenants and agrees that if any Project Agreements are so terminated or rejected, no settlement for damages shall be made without the prior written consent of Assignee, and any check in payment of damages for termination or rejection of any such Project Agreements will be made payable both to Assignor and Assignee. Assignor hereby assign any such payment to Assignee and further covenant and agree that upon the request of Assignee, they will duly endorse to the order of Assignee any such check, the proceeds of which will be applied to the indebtedness secured by this Assignment.

10. No remedy herein or in any of the other Loan Documents conferred upon or reserved to Assignee is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative, and shall be in addition to every other remedy given hereunder and under the other Loan Documents, or now or hereafter existing at law or in equity or by statute. No delay or omission of Assignee in exercising any right or power granted hereunder shall impair any such right or power, or shall be construed to be a waiver of any default, or any acquiescence therein.

11. This Assignment shall include any extensions, modifications and renewals of the Project Agreements, and any reference herein to the Project Agreements shall be construed as including any such extensions, modifications and renewals.

12. This Assignment shall be binding upon and inure to the benefit of the respective successors and assigns of the parties hereto. All words and phrases shall be taken to include the singular or plural, and the masculine, feminine or neuter gender, as may fit the case. This Assignment shall be construed without regard to any presumption or rule requiring construction against the party causing this instrument to be drafted.

RECITALS:

A. Assignor and Assignee are parties to that certain Loan Agreement of even date herewith (the “Loan Agreement”), pursuant to which Lender has agreed to provide financing to Assignor in the maximum principal amount of up to ONE MILLION TWO HUNDRED THOUSAND AND NO/100THS DOLLARS (\$1,200,000.00) (the “Loan”). All capitalized terms used and not otherwise defined herein shall have the meanings given to them in the Loan Agreement.

B. The Project is and will be the subject of “System Documents” (as hereinafter defined) relating to the operation thereof.

C. It is a condition precedent to Assignee making the Loan that Assignor collaterally assign, transfer and set over to Assignee, all right, title and interest of Assignor in, to and under the System Documents, as additional security and collateral for the payment and performance by Assignor of the Loan and all of Assignor’s obligations under the Loan Documents.

NOW, THEREFORE, in consideration of the recitals set forth above and incorporated herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor agrees as follows:

1. Assignor hereby collaterally grants, transfers and assigns to Assignee, all the right, title and interest of Assignor in, to and under the following:

1.1. the EPC Agreement;

1.2. all contracts, subcontracts and other agreements executed by Assignor in connection with the construction of the Project;

1.3. all guarantees, warranties and other undertakings (including all payment and performance bonds) covering the quality or performance of the work or the quality of the materials required by such contracts, subcontracts and other agreements;

1.4. all other management, maintenance, service, supply or other agreements relating to the construction, use, operation and maintenance of the Project, and all warranties and guaranties issued in connection therewith;

1.5. all permits, licenses and authorizations issued from time to time in connection with the design, construction, use, management, maintenance, repair and operation of the Project;

1.6. all trademarks, trade names, logos and all other materials used to identify or advertise the Project;

1.7. any and all tests, studies, surveys, audits, results and reports performed or prepared in connection with the Project;

1.8. the Environmental Attributes;

1.9. all plans and specifications pertaining to the Project; and

1.10. all replacements, substitutions, additions and the proceeds of the foregoing, together with any and all extensions, modifications, amendments, and renewals thereof.

The items referred to in Sections 1.1 through 1.10 above are sometimes hereinafter collectively referred to as the "System Documents". The System Documents and all replacements, substitutions, additions and the proceeds thereof are collectively referred to in this Assignment as the "Collateral".

This Assignment is given for the purpose of securing the payment of all sums, including, without limitation, the payment of principal and interest due under the Note, which are now or at any time due Assignee under the Loan Agreement or any other documents evidencing or securing the Loan, and any extensions, modifications, amendments and renewals thereof, and the performance and discharge of the obligations, covenants, conditions and agreements of Assignor contained herein and in the Loan Agreement and the other Loan Documents.

2. Assignor agrees:

2.1. that, to the extent applicable, it shall in all material respects faithfully abide by, perform and discharge each and every material obligation, covenant, condition and agreement of or related to the System Documents to be performed by Assignor and shall, to the extent applicable, enforce performance by the other parties thereto of each and every material obligation, covenant, condition and agreement to be performed by such other parties.

2.2. that the occurrence of any of the following shall constitute an Event of Default hereunder:

2.2.1. any default by Assignor in the observance or performance of any material obligation, covenant, condition or agreement hereof which is not cured within thirty (30) days after written notice thereof from Assignee, unless such default by its nature can be cured but cannot be cured within such thirty (30) day period, in which event the same shall not constitute an Event of Default so long as Assignor commences the cure thereof within such thirty (30) day period and diligently prosecutes such cure to completion;

2.2.2. if at any time or times hereafter any representation or warranty made by Assignor herein proves to have been untrue or incorrect in any material respect when made, or thereafter becomes untrue or incorrect in any material respect and is not cured within the applicable grace period set forth in the Loan Agreement, if any; and

2.2.3. the occurrence of any event denominated an "Event of Default" under any other Loan Documents.

2.3. that any Event of Default hereunder, as provided above, shall be deemed to be a default under all of the Loan Documents. Upon the occurrence of any Event of Default hereunder, Assignee shall have the right (but not the obligation), without notice to or demand on Assignor: (1) to declare all sums evidenced or secured by the Loan Documents to be immediately due and payable; (2) to exercise any and all rights and remedies provided under the Loan Documents or hereunder as well as such remedies as may be available at law or in equity; and (3) to correct any such default in such manner and to such extent as Assignee may deem necessary to protect the security hereof, including, without

limitation, the right (but not the obligation) to appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Assignee, and also the right (but not the obligation) to perform and discharge each and every obligation, covenant, condition and agreement of Assignor under the System Documents, and, in exercising any such powers, to pay necessary costs and expenses, employ counsel and incur and pay attorneys' fees and expenses. Assignee shall not be obligated to perform or discharge, nor does it hereby undertake to perform or discharge, any obligation, duty or liability under any of the System Documents, or by reason of this Assignment. Assignee shall not be obligated to take possession of and use, nor does it hereby undertake to take possession of and use, any or all of the System Documents.

2.4. That at any time after the occurrence of an Event of Default, Assignee may, at its option, without notice, and without regard to the adequacy of security for the indebtedness hereby secured, either in person or by agent, with or without bringing any action or proceeding, or by a receiver to be appointed by a court at any time hereafter, enforce, own and possess for Assignee's own benefit the System Documents, or any of them. The exercise of any rights under this Assignment shall not be deemed to cure or waive any default under any of the Loan Documents, or waive, modify or affect any notice of default under any of the Loan Documents, or invalidate any act done pursuant to such notice.

2.5. That in the exercise of the powers herein granted to Assignee, no liability shall be asserted or enforced against Assignee, all such liability being hereby expressly waived and released by Assignor, unless such liability results from Assignee's acts constituting gross negligence or willful misconduct on the part of Assignee or its employees or agents. Assignor hereby agrees to indemnify and hold Assignee free and harmless from and against any and all liability, expense, cost, loss or damage which Assignee may incur by reason of any act or omission of Assignor or its employees or agents with respect to any of the System Documents, unless the same results from Assignee's acts constituting gross negligence or willful misconduct on the part of Assignee or its employees or agents. Should Assignee incur any liability, expense, cost, loss or damage (a) with respect to any of the System Documents, for which they are to be indemnified by Assignor as aforesaid, or (b) by reason of the exercise of Assignee's rights hereunder (including, but not limited to, the exercise of the rights granted to Assignee under this Section 2), which liability, expense, cost, loss or damage does not arise from the gross negligence or willful misconduct of Assignee or its employees or agents, then the amount thereof, including, but not limited to, costs and expenses (including litigation costs and reasonable attorneys' fees and disbursements), damages (including consequential damages), obligations and liabilities of any nature whatsoever, shall be added to the indebtedness evidenced by the Note and secured hereby and by the Loan Documents (regardless of whether such indebtedness, when aggregated with other sums secured by the Loan Documents then increases the outstanding balance of the Note to an amount in excess of the face amount thereof) and shall (a) be due and payable immediately upon demand by Assignee, and (b) after demand, bear interest at the Default Rate.

2.6. That this Assignment shall be assignable by Assignee to any assignee of Assignee under the Loan Agreement and all representations, warranties, covenants, powers and rights herein contained shall be binding upon, and shall inure to the benefit of, Assignor and Assignee and their respective legal representatives, successors and assigns.

3. Assignor further hereby covenants and represents to Assignee that (a) Assignor has not previously assigned, sold, pledged, transferred, mortgaged, hypothecated or otherwise encumbered the System Documents, or any of them, or its right, title and interest therein, (b) Assignor shall not assign, sell, pledge, transfer, mortgage, hypothecate or otherwise encumber its interests in the System Documents, or any of them, (c) Assignor has not performed any act which might prevent Assignor from performing its undertakings hereunder or which might prevent Assignee from operating under or enforcing any of the terms and conditions hereof or which would limit Assignee in such operation or enforcement, (d) to the extent applicable, Assignor is not in violation of any of the terms or conditions of the System Documents, or any of them, and to the best knowledge of Assignor, no other party having an interest in the respective System Documents is in violation of any of the terms or conditions thereof except as

disclosed in writing to Assignee, (e) except as provided in the Loan Agreement, no amendments, modifications or changes to any material System Documents will be made without the prior written consent of Assignee, and (f) upon execution, completion or modification (as the case may be) of any material System Documents, Assignor will deliver to Assignee (1) copies of such System Documents (or the original at Assignee's request), and (2) executed consents to this Assignment from each of the parties to the System Documents, such consents to be substantially the same as the form of Consent and Agreement attached hereto as Exhibit A.

4. Any notice, demand, request or other communication which any party hereto may be required or may desire to give hereunder shall be in writing and shall be deemed to have been properly given and received: (a) if hand delivered, on the day so delivered to the address set forth below; (b) if mailed, on the second business day after the day on which it is deposited in the United States mails in the continental United States, registered or certified mail, postage prepaid, returned receipt requested, addressed as set forth below; (c) if by Federal Express or other reputable express courier service, on the next business day after delivered to such express courier service, addressed as set forth below; or (d) if by telecopy transmission, on the day and at the time on which delivered to such party at the address and the telecopier number set forth below:

REPRESENTATIONS AND WARRANTIES

3.1 Representations and Warranties of Borrower. To induce Lender to execute and deliver this Agreement and to perform the obligations of Lender hereunder, Borrower hereby represents and warrants to Lender as follows:

3.1.1 Borrower is a limited liability company duly formed, validly existing and in good standing under the laws of the State of California. Borrower has and will continue to have full power and authority to execute, deliver and perform the obligations and carry out the duties imposed upon Borrower by this Agreement and the other Loan Documents, and Borrower has taken and will continue to take all action necessary to carry out Borrower's obligations and duties in connection with the Loan.

3.1.2 Managing Member is an individual and managing member of Borrower. Managing Member has and will continue to have full power and authority to execute and deliver the Loan Documents on behalf of Borrower, and has taken and will continue to take all action necessary to carry out his obligations and duties in connection with the Loan.

3.1.3 Each of the Loan Documents executed by the Loan Parties, as the case may be, has been or will be duly and properly executed and delivered by such parties.

3.1.4 Each of the Loan Documents to which the Loan Parties are or will become parties constitute or will constitute legal, valid and binding obligations of the Loan Parties, and is and will be enforceable in accordance with its respective terms, except as such enforceability may be affected by bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditor's rights generally, and limitations imposed by general principles of equity.

3.1.5 Borrower has good title to the Collateral free and clear of any liens and encumbrances other than those granted to Lender hereunder, and the security interests granted to Lender pursuant to the Loan Documents will at all times constitute a valid, perfected and enforceable first priority security interests in favor of Lender, subject to no other security interest, mortgage, lien or encumbrance, except as may be permitted under the Loan Documents. Upon the filing of the Financing Statements, Lender will have a perfected security interest in the Collateral described in the Loan Documents, to the extent that such Collateral consists of property with respect to which a security interest may be perfected by the filing of a Financing Statement. Other than the Financing Statements in favor of Lender, no Loan Party has executed any UCC-1 financing statements in favor of any other Person with respect to the Collateral.

3.1.6 No provision of any Operating Agreement, or any applicable constitutional provision, law or administrative regulation of the State of California, the State of California, or the United States, or any applicable judgment or decree or any loan agreement, indenture, bond, note, resolution, agreement or other instrument to which Borrower is a party or to which Borrower is or any of its property or assets are otherwise subject, requires the consent or authorization of any other Person as a condition precedent to the consummation of the transactions contemplated herein or in any of the other Loan Documents, or if required, such consents or authorizations have been obtained.

3.1.7 No approvals, consents or permits are required in connection with the execution, delivery and performance by the Loan Parties of this Agreement or any of the other Loan Documents to which any is a party, or in connection with the performance or consummation by the Loan Parties, of any of the transactions contemplated hereby or thereby, or if required, such approvals, consents or permits have been obtained.

3.1.8 The execution, delivery and performance of each Loan Document by each applicable Loan Party does not and will not (a) conflict with or result in or cause any violation under any applicable Law, (b) conflict with or result or cause a breach of any of the terms or provisions of, or constitute a default under, any indenture, pledge, mortgage, deed of trust, loan agreement, partnership agreement, operating agreement or any other agreement or instrument to which such Loan Party is party or by which such Loan Party's property or assets are subject or bound, (c) result in the creation or imposition of any Lien, charge or encumbrance (other than pursuant to the Loan Documents) upon any of the property or assets of any Loan Party, or (d) result in any violation of the provisions of any applicable Law or order of any court or governmental agency or body having jurisdiction over such Loan Party or any of its or his properties or assets.

3.1.9 Except for the Loan Documents, and as set forth in the Operating Agreement as in effect on the date hereof, no Loan Party is a party or subject to any contract or agreement which restricts its or his right or ability to incur any Debt, and no Loan Party is a party or subject to any contract or agreement which restricts its or his right or ability to enter into the Loan Documents to which it or he is a party or which prohibits any Loan Party's execution or performance of its or his obligations under this Agreement or any of the other Loan Documents, Borrower's obtaining the Loan, or the Loan Parties'

providing security for the Obligations as provided herein. No Loan Party has agreed or consented to cause or permit in the future (upon the occurrence of a certain event, contingency or otherwise) the Project, whether now owned or hereafter acquired.

3.1.10 Except to the extent obtained and delivered to Lender in writing prior to the Closing Date, no registration, qualification, designation, declaration or filing with, any Person or any Governmental Authority (other than the filing of the Financing Statements and any continuation statements) is or will be necessary in connection with the execution and delivery of this Agreement or any other Loan Documents by each Loan Party, consummation by each Loan Party a party thereto of the transactions herein or therein contemplated, the Loan Parties' granting security for the Obligations, and the performance of or compliance by each Loan Party a party thereto with the terms and conditions hereof or thereof or the legality, validity and enforceability hereof or thereof.

3.1.11 No actions, suits or proceedings are pending, or to the Loan Parties' knowledge are threatened, against any of the Loan Parties which (a) might affect the validity or priority of the liens or the security interests created by the Loan Documents, or (b) might affect the ability of the Loan Parties to perform its obligations pursuant to and as contemplated by the terms and provisions of this Agreement and the other Loan Documents to which each of them are parties.

3.1.12 None of the Loan Parties have entered into the Loan Documents with the actual intent to hinder, delay, or defraud any creditor or any other Person, and each Loan Party has received reasonably equivalent value in exchange for its obligations under the Loan Documents. As of the Closing Date, after giving effect to the transactions contemplated by the Loan Documents, Borrower is solvent and the fair saleable value of each Loan Party's assets exceeds and will, immediately following the execution and delivery of the Loan Documents, exceed such Loan Party's total liabilities, including subordinated, unliquidated, disputed or contingent liabilities. The fair saleable value of each Loan Party's assets will, immediately following the execution and delivery of the Loan Documents, be greater than such Loan Party's probable liabilities, including the maximum amount of its contingent liabilities or its debts as such debts become absolute and matured. Each Loan Party's assets, immediately following the execution and delivery of the Loan Documents, will not constitute unreasonably small capital to carry out its business as conducted or as proposed to be conducted

3.1.13 Neither of the Loan Parties or any of their Affiliates has dealt with any brokers in connection with the Loan other than Scott Reising, and no brokerage fees or commissions are payable by or to any person other than him in connection with any of the Loan Documents or the transactions contemplated thereby.

3.1.18 No Default or Event of Default has occurred and is continuing.

3.1.19 The information provided by the Loan Parties to Lender in connection with the Loan Parties or the Project, does not include an untrue statement of a material fact or omit to state any material fact or any other fact which is necessary to make the statements contained therein (in the light of the circumstances under which they were made) not misleading.

3.1.20 Neither of the Loan Parties or, to the best of their Knowledge, any of their Affiliates are subject to sanctions of the United States government or in violation of any Laws relating to terrorism or money laundering, including Executive Order No. 13224, 66 Fed. 3.1.21 Neither of the Loan Parties or, to the best of their Knowledge, any of their Affiliates are (i) listed on the Specially Designated Nationals and Blocked Persons List maintained by the Office of Foreign Assets Control, Department of the Treasury, and/or on any other similar list (the "Lists") maintained by such office pursuant to any authorizing statute, Executive Order or regulation or (ii) a Person (a "Designated Person") either (A) included within the term "designated national" as defined in the Cuban Assets Control Regulations, 31 C.F.R. Part 515, or (B) designated under Sections 1(a), 1(b), 1(c) or 1(d) of the Terrorism Executive Order or a Person similarly designated under any related enabling legislation or any other similar Executive Orders.

3.1.22 Neither of the Loan Parties or any of their Affiliates are knowingly or will knowingly (i) conduct any business or engage in making or receiving any contribution of funds, goods or services to or for the benefit of any Designated Person, (ii) deal in, or otherwise engage in, any transaction relating to any property or interest in property blocked pursuant to any Executive Order or the Patriot Act, or (iii) engage in or conspire to engage in any transaction that evades or avoids, or has the purpose of evading or avoiding, or attempts to violate, any of the prohibitions set forth in any Executive Order or the Patriot Act.

3.3 Survival of Representations and Warranties. Borrower agrees that all of its representations and warranties set forth in Section 3.1 and elsewhere in this Agreement and the other Loan Documents will be true at the Closing Date, and except with respect to matters which have been disclosed in writing to and approved by Lender, at all times thereafter.

ARTICLE 4.

4.4 Interest Rate. So long as no Event of Default remains uncured, the Loan will bear interest at the Note Rate. While any Event of Default remains uncured, the Loan will bear interest at the Default Rate. Interest on the Loan shall be computed on the principal sum of the entire amount of the Loan from time to time outstanding on the basis of a 360-day year, as set forth in the Note, but shall be charged for the actual number of days within the period for which interest is being charged.

4.5 Term of the Loan. Without limiting the provisions of the Note, the unpaid principal balance, together with any accrued and unpaid interest and all other sums then due and payable under the Note and under the other Loan Documents, if not sooner paid, whether by reason of acceleration or otherwise, shall be paid in full on the Maturity Date.

4.6 Disbursements. Upon written request delivered to Lender on or before 10:00 a.m., Pacific time, on a Business Day, Borrower from time to time may request a disbursement of Loan proceeds; provided, however, (i) no Default or Event of Default remains uncured either at the time of Borrower's request or on the date such funds are to be disbursed; (ii) except as agreed by Lender in writing, Lender shall not be obligated to make more than one (1) disbursement every two (2) weeks or in an amount less than FIFTY THOUSAND AND NO/100THS DOLLARS (\$50,000.00); (iii) Borrower shall have provided to Lender reasonable proof that the costs covered by Borrower's disbursement request are due, including, without limitation, by invoices, progress reports, inspections and other documentation reasonably requested by Lender; (iv) Borrower shall have provided to Lender reasonable proof of payment of all amounts covered by previous disbursements of Loan proceeds; (v) the proceeds disbursed shall be utilized solely for Lender approved Project costs as they become due; (vi) no actions, suits or proceedings involving the Project shall be pending, or to Borrower's knowledge, threatened, which in Lender's reasonable opinion could materially adversely affect Borrower's ability to perform its obligations under the Loan Documents, and (vii) Lender shall not be obligated to make any disbursements of Loan proceeds after the expiration of the Disbursement Period. Each disbursement permitted pursuant to this Section 4.6 shall be made within two (2) Business Days after Borrower's written request is received by Lender; provided, however, such request shall be accompanied by all of the items referenced in clauses (iii) and (iv) of this Section 4.6; provided, further, however, Lender shall not be obligated to make any disbursements of Facility B proceeds exceeding, in the aggregate, the sum of ONE MILLION TWO HUNDRED THOUSAND AND NO/100THS DOLLARS (\$1,200,000.00).

4.7 Voluntary Prepayments. Borrower shall have the right to make voluntary prepayments of all or any portion of the Loan, in multiples of \$25,000, in each case upon not less than five (5) calendar days prior written notice to Lender. The prepayment shall be made together with the payment of all accrued and unpaid interest on the Loan through the date of prepayment. For prepayments during the first three (3) years of the term of the Loan, Borrower shall pay a prepayment fee ("Prepayment Fee") calculated by multiplying the principal prepaid by the applicable percentage set forth in the following table:

Month of prepayment	1 - 12	13 - 24	25 - 36	Thereafter
Percentage	3.0%	2.0%	1.0%	Par

Lender will waive the Prepayment Fee in the event Borrower refinances the Loan with Lender. Principal amounts of the Loan which are repaid for any reason may not be reborrowed.

4.8 Mandatory Prepayment. If at any time the Host shall exercise the right to purchase the System pursuant to the terms of the Site Lease, Borrower shall, within two (2) Business Days from receipt of the purchase money or termination proceeds, prepay the Loan evidenced by this Note in an amount equal to not less than one hundred percent (100%) of the purchase money or termination proceeds received from the Host for the purchase of the System. No Prepayment Fee shall be due or payable for prepayments made pursuant to this Section 4.8.

4.9 Due on Transfer. The unpaid principal balance, all accrued and unpaid interest and all other sums due and payable under the Note and the other Loan Documents, if not sooner paid, shall be paid in full upon the occurrence of an Acceleration Event.

Borrower agrees to pay all expenses of the Loan that are reasonably incurred by Lender, including, but not limited to, all costs of administering the Loan, all fees, expenses and charges (including word processing and photocopying expenses) of Lender's attorneys, including all costs and expenses reasonably incurred by Lender in connection with the determination of whether Borrower has performed its obligations hereunder and under the Note or has satisfied the conditions precedent to the obligations of Lender hereunder, and, if any Default or Event of Default occurs hereunder or under the Note, or if the Loan or the Note or any portion thereof is not paid in full when and as due, all costs and expenses of Lender (including, without limitation, court costs and counsel's fees and disbursements) reasonably incurred in reviewing any request from Borrower, documenting any reconveyance, release or prepayment by Borrower, and attempting to enforce payment of the Loan (collectively, the "Loan Expenses"). All such Loan Expenses, charges, costs and fees shall be Borrower's obligation regardless of whether the Loan proceeds are disbursed in whole or in part.

5.2 Loan Fee. On the Closing Date, Borrower shall pay to Lender a credit facility fee (the "Loan Fee") in the amount of TWELVE THOUSAND AND NO/100THS DOLLARS (\$12,000.00). The Loan Fee shall be deemed fully earned when due and shall be non-refundable.

5.4 Expenses and Advances. Lender is hereby authorized, without any specific request or direction by Borrower, to make disbursements of the proceeds of the Loan to pay for, or to reimburse Lender for the payment of, all unpaid Loan Expenses and fees. Without limiting the generality of the foregoing, Lender will provide notice to Borrower and an accounting of any and all disbursements or

payments made pursuant to the preceding sentence. All advances or payments made by Lender under this Agreement or any of the other Loan Documents from time to time, and all amounts expended by Lender pursuant to Section 10.1.2 or for Lender's fees and expenses, if any, and all other Loan Expenses shall, as and when advanced or incurred by Lender, constitute additional indebtedness evidenced by the Note to the same extent and effect as if the terms and provisions of this Agreement were set forth therein, whether or not the aggregate of such indebtedness shall exceed the aggregate face amount of the Note.

ARTICLE 6.

CONDITIONS PRECEDENT TO THE CLOSING

6.1 Conditions Precedent to the Closing. Borrower shall perform and satisfy all of the following conditions precedent on or before the Closing Date, and Borrower agrees that Lender's obligation to disburse the Loan is conditioned upon Borrower's performance or satisfaction of all such conditions precedent:

6.1.1 No Default or Event of Default by Borrower shall exist under this Agreement or any of the other Loan Documents.

6.1.2 Borrower shall have executed and delivered or caused to be executed and delivered to Lender all of the Loan Documents as required by, and in accordance with, Section 4.2, duly and properly executed by the respective parties thereto, and Borrower shall have paid all amounts then required to be paid by Borrower on or before the Closing Date pursuant to Article 5.

6.1.3 Borrower shall have furnished the following to Lender, in sufficient time for review and approval by Lender and/or Lender's counsel prior to the Closing Date, all of which shall be in form and substance satisfactory to Lender and/or Lender's counsel, as applicable:

(b) Evidence satisfactory to Lender that the Loan and the execution and performance of this Agreement and the other Loan Documents are authorized, and that the individuals executing this Agreement and the other Loan Documents on behalf of Borrower have been duly authorized by all appropriate action to execute and deliver this Agreement and the Loan Documents on behalf of Borrower.

(c) Property and casualty insurance coverages as required by this Section 6.1.3(c), such coverage to be evidenced by a certificate of insurance, together with evidence that the premiums for such policies have been fully prepaid for a period not less than twelve (12) months from the Closing. Borrower shall provide Lender with certificates of insurance on or prior to the Closing. Property insurance covering the System for 100% of its full replacement cost (or such amount as shall be agreed to by Lender in writing) in so called "all risk" form and such other hazards as Lender may require. All insurance required under this Section 6.1.3(c) and Section 6.1.3(d) shall be with companies and in amounts and with coverage and deductibles satisfactory to Lender. All insurance required under this Section 6.1.3(c) shall include endorsements naming Lender as loss payee. All companies issuing policies required under this Section 6.1.3(c) and under Section 6.1.3(d) shall have a Best Insurance Reports (current) rating of "A XII" or better and shall be licensed to do business in the State of Colorado. All policies required under this Section 6.1.3(c) and Section 6.1.3(d) shall provide that the insurance evidenced thereby shall not be cancelled or modified without at least thirty (30) days' prior written notice from the insurance carrier to Lender, and at least ten (10) days' prior written notice to Lender from the insurance carrier or Borrower's insurance broker for non-payment. No act or thing done by Borrower or any Affiliate of Borrower shall invalidate the policy as against Lender. Borrower shall deliver renewal certificates of all policies of insurance required under this Section 6.1.3(c) and Section 6.1.3(d), together with written evidence of full payment of the annual premiums therefor promptly upon payment of such

amount. Upon the occurrence of any Event of Default under this Agreement or any of the other Loan Documents, Lender shall have the right (but not the obligation) to place and maintain the insurance required to be placed and maintained by Borrower hereunder and treat the amounts expended therefor as additional indebtedness evidenced by the Note (even if the total amount of such indebtedness would then exceed the face amount of the Note), payable on demand and secured by the Loan Documents.

(d) Liability insurance as required by this Section 6.1.3(d), such coverage to be evidenced by original or certified copies of insurance policies, or binders for such insurance, together with evidence that the premiums for such policies have been fully prepaid for a period not less than six (6) months from the Closing. Such insurance shall provide for commercial general liability insurance coverage for personal injury, bodily injury, death, accident and property damage with limits no less than \$1,000,000.00 per occurrence, and \$2,000,000.00 in the aggregate per location. The commercial general liability and automobile policies and umbrella liability policy shall name Lender as additional insured.

(e) Current financial statements from Borrower and Managing Member, except as waived by Lender.

(f) Current tax lien, bankruptcy and judgment searches against Borrower and Managing Member. Current searches of all Uniform Commercial Code financing statements filed with such offices as Lender's counsel designates, with respect to each of Borrower and Managing Member, as debtor, which searches shall show that, except as otherwise approved by Lender, no Uniform Commercial Code financing statements are filed or recorded against any of Borrower or Managing Member, or in which the Collateral is described.

(g) Such other evidence, documents, consents, landlord or property owner waivers and other agreements or instruments as may be required under this Agreement or as Lender may reasonably require.

6.1.4 Borrower's written certification that there has occurred no material adverse change in the financial condition of Borrower, as reflected on its most recent annual financial statements submitted to Lender, between the respective dates thereof and the Closing Date.

ARTICLE 7. COVENANTS

7.1 Affirmative Covenants. So long as any portion of the Loan or any other obligation hereunder (other than contingent indemnity obligations) shall remain unpaid or unsatisfied, Borrower covenants and agrees to and with Lender as follows:

7.1.1 Compliance with Conditions Precedent. All conditions precedent to the closing of the Loan will be complied with in a timely manner or waived by Lender.

7.1.2 Compliance with Requirements of Governmental Authorities. Borrower in all material respects will comply with, and will cause the Project to be in compliance with, all applicable Law and requirements of Governmental Authorities, and all requirements and conditions set forth in all permits, licenses and other approvals which have been obtained or are required to be obtained from Governmental Authorities for the Project.

7.1.3 Inspection by Lender. Borrower will cooperate with Lender in arranging for inspections of the Project by Lender and its respective agents and representatives, from time to time during normal business hours following reasonable notice, except in the case of an emergency when no notice shall be required, subject to the rights of the owners and tenants of the properties where the Project is located.

7.1.4 Proceedings to Enjoin or Prevent the Operation of the Project. If any action, suit or proceeding is filed or otherwise commenced seeking to enjoin or otherwise prevent or declare unlawful the operation of the Project, or if any other action, suit or proceeding alleging the violation of any Law by Borrower is filed or otherwise commenced, Borrower shall give immediate notice thereof to Lender, and, at its sole expense (a) cause such proceedings to be vigorously contested in good faith and (b) in the event of an adverse ruling or decision, prosecute all allowable and reasonable appeals therefrom.

7.1.5 Lender's Attorneys' Fees and Expenses. In case of any Default under this Agreement or any of the other Loan Documents, Borrower (in addition to Lender's attorneys' fees and expenses to be paid by Borrower under Section 5.1) shall pay all of Lender's attorneys' fees and expenses reasonably incurred by Lender in connection with the enforcement of this Agreement and the other Loan Documents and with the collection of all amounts payable hereunder and thereunder. In addition to and without limiting the generality of the foregoing, if at any time hereafter prior to repayment of the applicable Loan in full, Lender reasonably employs counsel for advice or other representation (whether or not any suit has been, or shall thereafter be, filed and whether or not other legal proceedings have been, or shall thereafter be, instituted, whether or not Lender shall be a party thereto) with respect to the Loan, this Agreement or any of the other Loan Documents, or to enforce any rights of Lender or any of Borrower's obligations hereunder or under any of the other Loan Documents, or any obligations of any other person, firm or corporation which may be obligated to Lender by virtue of this Agreement or any other agreement, instrument or document heretofore or hereafter delivered to Lender by or for the benefit of Borrower ("Lender's Legal Review"), then, in any such event, all of the attorneys' fees and expenses arising from such services, and all expenses, costs and charges relating thereto, shall be paid by Borrower on demand and, if Borrower fail to pay such fees, costs and expenses, payment thereof by Lender shall be deemed to constitute additional indebtedness evidenced by the Note (even if the total amount of such indebtedness would then exceed the corresponding Loan Amount), payable on demand. Without limiting the generality of the foregoing, Lender shall endeavor to provide Borrower with notice of Lender's Legal Review; provided, however, Lender's failure to give such notice shall not be deemed to be Lender's breach of this Agreement, nor excuse Borrower from its payment or reimbursement obligations under this Section 7.1.5.

7.1.6 Lender's Action for its Own Protection Only. The authority herein conferred upon Lender, and any action taken by Lender, to inspect the Project, and to approve all documents and instruments submitted to Lender, will be exercised and taken by Lender and by Lender's employees, agents and representatives for their own protection only and may not be relied upon by Borrower or any other party for any purposes whatever; and neither Lender nor Lender's employees, agents and representatives shall be deemed to have assumed any responsibility to Borrower or any other party with respect to any such action herein authorized or taken by Lender or Lender's employees, agents and representatives. Any review, investigation or inspection conducted by Lender, or consultants retained by Lender, or any agent or representative of Lender in order to verify independently Borrower's satisfaction of any conditions precedent to the disbursement of proceeds of the Loan under this Agreement, Borrower's performance of any of its other covenants, agreements and obligations under the Loan Documents to which any of them is a party, or the validity of any representations and warranties made by Borrower hereunder (regardless of whether or not the party conducting such review, investigation or inspection should have discovered that any of such conditions precedent were not satisfied or that any such covenants, agreements or obligations were not performed or that any such representations or warranties were not true), shall not affect (or constitute a waiver by Lender of) (i) any of Borrower's representations and warranties under this Agreement or Lender's reliance thereon or (ii) Lender's reliance upon any certifications of Borrower, or any other party required under this Agreement, or any other facts, information or reports furnished to Lender by Borrower or any other party.

7.1.7 Furnishing Information. Borrower shall deliver or cause to be delivered to Lender a Federal tax return for Borrower or pertinent schedules of Member's Federal tax return, if Borrower does not file an individual tax return as a disregarded entity, annually as soon as available, but in no event later than thirty (30) days after the applicable filing date, or, if any of Borrower's Federal tax returns have not been filed by the applicable filing date, a copy of the Form 7004 Application for Automatic Extension of Time to File Certain Business Income Tax, Information, and Other Returns filed on Borrower's behalf. All Federal tax returns or Form 7004 Applications delivered to Lender shall be certified as true, correct and complete by Borrower. Additionally, Borrower shall deliver or cause to be delivered to Lender (i) unaudited annual and quarterly financial statements for Borrower as soon as available, but in no event later than ninety (90) days after the end of Borrower's fiscal year for the annual financial statements, and forty-five (45) days after the end of Borrower's fiscal quarters for the quarterly financial statements, and (ii) monthly power production reports for a twelve (12) month period commencing with the month in which production commences. All financial statements shall be prepared in such detail as reasonably required by Lender and shall fully disclose all contingent liabilities. Each unaudited annual and quarterly financial statement delivered pursuant to this Section 7.1.7 shall be certified as true, complete and correct by Managing Member. Additionally, Borrower will:

(a) promptly supply Lender with such information concerning Borrower and its financial conditions as Lender may reasonably request from time to time;

(b) promptly notify Lender of any condition or event which constitutes (or which upon the giving of notice or lapse of time, or both, would constitute) a breach, Default, or Event of Default of any term, covenant, condition, warranty, representation or provision of this Agreement or any other Loan Documents, including any event or circumstance which causes any information which has previously been provided by it to Lender to include an untrue statement of material fact or to omit to state any material fact or any fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, and, in such event, Borrower shall promptly furnish to Lender updated or revised information which will correct such untrue statement or include such omitted fact;

(c) promptly notify Lender of the institution of any action, suit or proceeding involving Borrower to the extent the institution of any action, suit or proceeding could cause a Material Adverse Change; and

(d) promptly supply Lender with such information concerning the Project as Lender may reasonably request from time to time.

7.1.8 Documents of Further Assurance. From time to time, Borrower and Lender shall execute, deliver and furnish (or cause to be executed, delivered and furnished) such documents as may be reasonably necessary or desirable to correct any errors of a typographical nature or inconsistencies which may be contained in any of the Loan Documents; and consummate fully the transaction contemplated under this Agreement, including, without limitation, any modification or amendment of this Agreement, the Security Agreement, the Assignment of Project Documents, the Assignment of Ancillary Documents or any financing statement relating to the Collateral to enable Borrower to transfer any Collateral permitted to be transferred pursuant to the terms of this Agreement, the Security Agreement, the Assignment of Project Documents, the Assignment of Ancillary Documents and/or any other Loan Document.

7.1.9 Furnishing Notices. Borrower shall deliver to Lender a copy of any notice or correspondence received or given by Borrower (or its agents or representatives) concerning the Project from or to any Governmental Authority or from or to any insurance company within three (3) Business Days after such notice is received.

7.1.10 Indemnification. Borrower and Managing Member shall indemnify, defend, protect and hold the Indemnified Persons harmless from and against all claims, injury, damage, loss, costs (including attorneys' fees and disbursements) and liability of any and every kind to any persons or

property by reason of (a) the Project; or (b) any other action or inaction by, or matter which is the responsibility of, Borrower; except to the extent such claims under (a) or (b) relate to the gross negligence or willful misconduct of such Indemnified Person. The foregoing indemnification shall survive repayment of the Note for a period of three (3) years.

7.1.11 Lost Note. If the Note is mutilated, destroyed, lost, or stolen, Borrower shall upon written request and delivery by Lender of a commercially reasonable lost note affidavit promptly deliver to Lender, in substitution therefore, a new promissory note containing the same terms and conditions as the Note with a notation thereon (a) of the unpaid principal and accrued and unpaid interest; and (b) stating that such promissory note is a duplicate original of the Note, intended to replace the Note.

7.1.12 Financial Covenants and Compliance Certificate.

(a) Debt Service Coverage. Borrower shall maintain a Debt Service Coverage Ratio of 1.25:1 (the "Debt Service Covenant"), measured as of the end of each calendar quarter, with a measuring period equal to the four (4) calendar quarters immediately preceding the calculation date, or, during the first year of the term of the Loan, a period equal to the number of calendar quarters immediately preceding the calculation date.

(b) Compliance Certificate. Within thirty (30) days following the end of each calendar quarter, Borrower shall deliver a quarterly compliance certificate to Lender in the form of Exhibit B (each, a "Compliance Certificate"), certifying that as of the date of the Compliance Certificate: (i) no Event of Default has occurred and is continuing under this Agreement or any Loan Documents executed and delivered in connection therewith, and (ii) Borrower is in compliance with the Debt Service Covenant as of that date.

7.1.13 Bank Accounts. Borrower shall maintain all of its operating and working capital accounts with Lender.

7.2 Negative Covenants. So long as the Loan or and any other Obligation hereunder (other than contingent indemnity obligations) shall remain unpaid or unsatisfied, Borrower further covenants and agrees to and with Lender as follows:

7.2.1 Single Purpose Entity. Borrower shall not (a) engage in any business other than the ownership and operation of the Project, (b) enter into any partnership, become a shareholder in any corporation or participate in any other business entity, (c) cease to be a single purpose entity whose sole purpose is to own and operate the Project, (d) engage in or seek or consent to any dissolution, winding up, liquidation, consolidation, merger or asset sale, (e) permit or suffer any material amendment or modification of its operating agreement, or suffer the admission of any new member, (f) cease to conduct its business in its own name and maintain its accounts, books and records separate from any other person or entity, (g) commingle its funds or assets with those of any other entity, (h) fail to pay its own liabilities out of its own funds and assets, (i) make loans or advances to any person or entity without Lender's consent, which consent shall not be unreasonably withheld, (j) enter into or be a party to any transaction with its members, including Managing Member, or any of its Affiliates, except in the ordinary course of its business and on terms that are no less favorable to any party thereto than would be obtained in a comparable arm's length transaction with an unrelated third party, (k) enter into contracts or agreements for employment with any person providing for liquidated damages or guaranteed severance payments; (l) make any Distributions not approved in advance by Lender or that would otherwise result in the violation of any of the covenants contained in this Article 7 or elsewhere in this Agreement; or (m) make investments or acquisitions other than with respect to the Project and as permitted by the terms of this Agreement.

7.2.2 Restriction on Transfers of Interests. Without the prior written consent of Lender, which consent Lender may withhold in its sole and absolute discretion, neither Managing Member nor any other Affiliate of Member shall Transfer, whether voluntarily or involuntarily, directly or indirectly, any interest which they may have in Borrower.

7.2.3 Due on Transfer or Further Encumbrance. Upon the sale or transfer of the Project or portion of the Collateral or any other conveyance, transfer or vesting of any direct or indirect interest in the Project or the Collateral, including any encumbrance of the Project or the Collateral, the Loan shall, at Lender's option in its sole discretion, become immediately due and payable upon notice to Borrower. Notwithstanding the foregoing, Borrower shall be permitted to Transfer the System pursuant to the terms of the PPA or Site Lease; provided, however, all termination payments or other remuneration received by Borrower from Host pursuant to such Transfer shall be used to repay the outstanding indebtedness under this Agreement as set forth in Section 4.8.

7.2.4 No Additional Debt. Other than the Loan or as set forth in this Agreement, Borrower shall not create, incur, assume, guaranty or suffer to exist any Debt, whether personal or non-recourse, secured or unsecured, subordinate or otherwise, without the prior written consent of Lender, which consent may be withheld in Lender's sole discretion.

7.2.5 Mechanics' and Other Liens and the Contest Thereof. Borrower will not suffer or permit any mechanics' lien, privilege or claim to be filed or otherwise asserted against the Project, and will promptly discharge the same, or cause the same to be discharged, by payment, bonding or otherwise. Without limiting the generality of the foregoing, Borrower may contest such lien, privilege or claim in good faith and by bona fide proceedings; provided, however, in the event Borrower contests any such mechanics' lien, privilege or claim, Borrower shall maintain reserves or secure a bond in an amount adequate to pay all contested liabilities in accordance with prudent business practices, which reserves shall not be less than 150% of the amount of the contested liabilities. If Borrower shall fail promptly to discharge any mechanics' lien(s), privilege(s) or claim(s) filed or otherwise asserted against the Project and totaling at least \$25,000 in the aggregate, and provided that Borrower is not contesting the same in good faith, Lender may, at its election (but shall not be obligated to), (a) procure the release and discharge of any such lien, privilege or claim and any judgment or decree thereon, without inquiring into or investigating the amount, validity or enforceability of such lien, privilege or claim and (b) effect any settlement or compromise of the same, and any amounts expended by Lender in connection therewith, including premiums paid or security furnished in connection with the issuance of any surety company bonds, shall be deemed to constitute additional indebtedness evidenced by the Note (even if the total amount of such indebtedness would then exceed the face amount of the Note), payable on demand and secured by the Loan Documents.

7.2.6 Settlement of Claims. Borrower shall not settle or compromise any claim in excess of TWENTY-FIVE THOUSAND AND NO/100THS DOLLARS (\$25,000.00) exclusive of the proceeds of insurance, or consent to entry of any judgment in any action or litigation arising from such a claim, without, in each instance, the prior written consent of Lender, which consent shall not be unreasonably withheld, delayed or conditioned. Lender shall determine the application of proceeds from insurance policies, surety bonds, performance guarantees, contractor and vendor penalties, and other similar risk mitigation instruments related to the Project.

7.2.7 Bankruptcy and Insolvency Filings. Borrower shall not file or consent to the filing of any petition under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereafter existing, or make an assignment for the benefit of creditors or admit in writing its inability to pay its debts as they become due.

7.2.8 Payments to Affiliates; Cash Distributions; Application of Cash Flow. Neither Borrower nor any Affiliate of Borrower (nor any Affiliates of any such persons or entities) shall receive any overhead fees, management fees, marketing fees, consulting fees (or any fees similar to the foregoing) during the term of the Loan, except to the extent such fees do not exceed the amount that would have been paid to non-affiliated parties for the same services in an arms-length transaction. Borrower must apply all Project Revenues to pay the following items in the following order of priority, to the extent necessary to pay such items: (a) Debt Service; (b) any unpaid Loan Expenses pursuant to Article 5 and all other amounts due to Lender pursuant to the Loan Documents other than Debt Service; (c) any amounts necessary to maintain or replenish the Minimum Payment Reserve Amount; and (d) Operating Expenses, in accordance with this Agreement. Subject to all of the foregoing, so long as no Event of

Default remains uncured (or would be caused thereby), Borrower may make payments to its members and Affiliates, in amounts not exceeding the Excess Proceeds. Except as set forth in this Section 7.2.8, no cash distributions or loans shall be made to Borrower or any Affiliate of Borrower (or to any Affiliates of any such persons or entities) without the prior written consent of Lender, which consent shall not be unreasonably withheld, delayed or conditioned.

7.2.9 Amendments and Modifications to Project Agreements. Without the prior written consent of Lender, in Lender's reasonable discretion, Borrower shall not materially modify, amend or supplement the EPC Agreement, the O&M Agreement, the Site Lease or the PPA or permit any other Party to do the same.

ARTICLE 8.

ASSIGNMENTS

8.1 Assignments and Participations. Lender shall have the right, following reasonable notice to but without the consent of Borrower or Member, to Transfer this Agreement and any of its rights hereunder and under the Loan Documents and any of the other Loan Documents, to one or more Persons (collectively, "Assignee") pursuant to one or more assignment and assumption agreements (each, an "Assignment and Assumption") in a form acceptable to Lender. Upon the effective date of the applicable Assignment and Assumption, Assignee shall be a party to this Agreement, and, to the extent that rights and obligations hereunder have been assigned to it pursuant to such Assignment and Assumption, Assignee shall have the rights and obligations of Lender hereunder and under the other Loan Documents. Borrower and Member agree that all of the rights and remedies of Lender in connection with the interest assigned shall be enforceable against Borrower by Assignee with the same force and effect and to the same extent as the same would have been enforceable but for such assignment, and Lender shall, to the extent that rights and obligations hereunder and under the other Loan Documents have been assigned by it pursuant to such Assignment and Assumption, relinquish its rights and be released from its obligations hereunder and thereunder. Borrower shall cooperate with Lender and Assignee in connection with the assignment of interests under this Agreement or the sale of participations herein.

8.1.1 Lender shall have the right, without the consent of Borrower, to sell participations to one or more other Persons (each, a "Participant") in or to all or a portion of its rights and obligations under the Loan and the Loan Documents; provided, however, that Borrower and Lender shall continue to deal solely and directly with Lender in connection with Lender's rights and obligations under this Agreement and with regard to any and all payments to be made under this Agreement.

8.1.2 Borrower acknowledges and agrees that Lender may provide to any Assignee or Participant, originals or copies of this Agreement, any other Loan Document and any other documents, instruments, certificates, opinions, insurance policies, letters of credit, reports, requisitions and other materials and information of every nature or description, and may communicate all oral information, at any time submitted by or on behalf of Borrower, or received by Lender in connection with the Loan or with respect to Borrower, subject to such Assignee or Participant executing a confidentiality agreement in the form used by Lender to protect its own confidential information. In order to facilitate assignments to Assignees and sales to Participants, Borrower shall execute such further documents, instruments or agreements as Lender may reasonably require; provided, that Borrower shall not be required (a) to execute any document or agreement which would materially decrease its rights, or materially increase its respective obligations, relative to those set forth in this Agreement or any of the other Loan Documents (including financial obligations, personal recourse, representations and warranties and reporting requirements), or (b) to expend more than incidental sums of money or incidental administrative time for which it does not receive reasonable reimbursement in order to comply with any requests or requirements of Lender in connection with such assignment or sale arrangement. In addition, Borrower agrees to cooperate fully with Lender in the exercise of Lender's rights pursuant to this Section 8.1.2, including providing such information and documentation regarding Borrower as Lender or any potential

Assignee or Participant may reasonably request and to meet with potential Assignees and Participants, so long as Borrower do not incur any material cost or expense.

8.2 Prohibition of Assignments by Borrower. Except as otherwise permitted by Lender in writing or in connection with the exercise by Applicant, other off-taker of Energy or the Host of the right to purchase the System pursuant to the terms of the PPA or the Site Lease (in which case Section 4.8 of this Agreement shall apply), Borrower shall not Transfer or attempt to Transfer the System, the Project or its rights under this Agreement.

8.3 Successors and Assigns. Subject to the foregoing restrictions on transfer and assignment contained in this Article 8, this Agreement shall inure to the benefit of and shall be binding on the parties hereto and their respective heirs, executors, legal representatives, successors and permitted assigns.

ARTICLE 9.

EVENTS OF DEFAULT

9.1 Event of Default. The occurrence of any one or more of the following shall constitute an "Event of Default," as such term is used herein:

9.1.1 If Borrower fails to pay the unpaid principal amount of the Note when due, whether at its Maturity Date or upon acceleration or otherwise as provided herein and in the Note;

9.1.2 If Borrower fails to pay any installment of interest under the Note within five (5) days from the date when due;

9.1.3 If Borrower fails to observe or perform any covenant, agreement or obligation hereunder or under any other Loan Documents involving the payment of money, other than the payment of principal or interest under the Note, and such failure shall continue for five (5) days following notice;

9.1.4 If Borrower fails to perform any of its non-monetary covenants, agreements and obligations under this Agreement or has otherwise breached any of the covenants, agreements and conditions of this Agreement, and such failure or breach shall continue for thirty (30) days after written notice thereof from Lender; provided, however, that if such failure or breach by its nature can be cured but cannot be cured within such thirty (30) day period, then the same shall not constitute an Event of Default so long as Borrower commenced to cure within such thirty (30) day period and diligently and in good faith prosecutes such cure to completion within ninety (90) days of said written notice from Lender to Borrower;

9.1.5 If at any time or times hereafter any representation or warranty (including the representations and warranties of Borrower set forth in Article 3 of this Agreement), or if any statement, report or certificate now or hereafter made or delivered by Borrower, or any Affiliate thereof in connection with the Loan (a) proves to have been untrue, incorrect or misleading in any material respect when made or delivered or (b) thereafter becomes untrue, incorrect or misleading in any material respect, unless, if the representation or warranty is of a nature that can be made to be true or correct, the party having made such representation, warranty or other such statement duly notifies Lender of such fact and diligently proceeds to and does make such representation or warranty true and correct and not misleading, within any applicable grace period contained herein, or, if no grace period is provided herein, within thirty (30) days; provided, however, that nothing herein shall be deemed to extend any applicable grace period beyond the applicable maturity date under either of the Loan.

9.1.6 If any petition is filed by or against Borrower under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereafter existing (and, in the case of involuntary proceedings, either failure to cause the same to be vacated, stayed or set aside within sixty (60) days

after filing or the entry of an order for relief); or if Borrower makes an assignment for the benefit of creditors or admits in writing its inability to pay its or his debts as they become due;

9.1.7 If any Transfer is made in violation of Section 8.2;

9.1.8 If there exists any fraud or misappropriation by Borrower which materially adversely affects Lender or the Project;

9.1.9 If Borrower fails to observe or perform any covenant, agreement or obligation under the EPC Agreement, the PPA, the O&M Agreement or the Site Lease and such failure shall continue beyond any applicable cure period; or

9.1.10 If a default occurs under any other Loan Documents and continues beyond the applicable grace or cure period, if any, contained therein.

ARTICLE 10.

LENDER'S REMEDIES IN EVENT OF DEFAULT

10.1 Remedies Conferred Upon Lender.

10.1.1 Upon the occurrence of an Event of Default, the Note shall immediately and automatically become due and payable in full without notice, presentment, demand, protest or other action of any kind, all of which Borrower hereby expressly waive, and Lender shall, in addition to the foregoing and all other remedies conferred upon Lender by law and by the terms of such Note and the other Loan Documents, have the right, but not the obligation, to pursue one or more of the remedies set forth in Section 10.1.2), concurrently or successively, it being the intent hereof that all of such remedies shall be cumulative and that no such remedy shall be to the exclusion of any other.

10.1.2 Upon the occurrence and during the continuance of any Event of Default, Lender shall, in addition to all other remedies conferred upon Lender by law and by the terms of the applicable Note and the other Loan Documents, have the right but not the obligation to pursue any one or more of the following remedies, concurrently or successively, it being the intent hereof that all such remedies shall be cumulative and that no such remedy shall be to the exclusion of any other:

(a) declare the entire amount of the Loan or any portion thereof which is currently payable (including, without limitation, any and all costs and expenses, including professional fees) to be immediately due and payable; provided, however, if any Event of Default as described in Section 9.1.6 above shall occur, the entire amount of the Loan shall be automatically due and payable, without any further notice, demand or other action by Lender;

(b) institute proceedings, judicial or otherwise, or take any other action, for the enforcement of Lender's rights under the Loan Documents or at law or in equity;

(c) terminate, in whole or in part, any obligation Lender may have to make any disbursement of Loan proceeds hereunder;

(d) institute an action, suit or proceeding in equity for the specific performance of any covenant, condition or agreement contained in the Loan Documents;

(e) recover judgment on the Note either before, during or after any proceedings for the enforcement of any Loan Document;

(f) exercise all or any one or more of the rights, powers and other remedies available to Lender against Borrower under the Loan Documents, at law or in equity, at any time and from

time to time, whether or not all or any portion of the Loan shall be declared due and payable;

(g) pay, perform, or cause the performance of (provided Lender shall have no obligation to do so) such covenant or obligation; and

(h) exercise or pursue any other right or remedy permitted under this Agreement or any of the other Loan Documents or conferred upon Lender by operation of Law.

10.1.3 Upon the occurrence and during the continuance of an Event of Default (including after the acceleration of the Loan until all sums due and payable under the Loan Documents are paid in full), interest on the outstanding principal balance of the Loan and, to the extent permitted by law, accrued and unpaid interest and all other amounts due under the terms of the Loan Documents, shall accrue at the Default Rate. Interest at the Default Rate shall be computed from the occurrence of the Event of Default until the actual receipt and collection of the Loan (or that portion thereof that is then due). To the extent permitted or not prohibited under applicable Law, interest at the Default Rate shall be added to the Loan, shall itself accrue interest at the same rate as the Loan. This Section 10.1.3 shall not be construed as an agreement or privilege to extend the date of the payment of either of the Loan, nor as a waiver of any other right or remedy accruing to Lender by reason of the occurrence of any Event of Default; the acceptance of any payment of by Lender shall not be deemed to cure or constitute a waiver of any Event of Default; and Lender retains its rights under this Agreement and the other Loan Documents to accelerate and to continue to demand payment of the Loan upon the happening of any Event of Default, despite any payments made to Lender after the occurrence of such Event of Default.

10.1.4 Upon the occurrence of any Event of Default, Lender may, but without any obligation to do so and without notice to or demand on Borrower and without releasing Borrower from any obligation, take any action in such manner and to such extent as Lender may deem necessary to cure any Event of Default. Borrower agrees that Lender is authorized to appear in, defend, or bring an action or proceeding to collect the Loan, and the cost and expense thereof (including Lender's legal fees), shall constitute a protective advance and shall be payable on demand.

10.1.5 Lender's exercise of any right or remedy which has the effect of remedying an Event of Default under the Loan Documents shall not constitute a cure or waiver of such Event of Default.

10.2 Non-Waiver of Remedies. The failure of Lender to insist upon strict performance of any term, covenant or condition contained in the Loan Documents shall not be deemed to be a waiver, modification, amendment or estoppel with respect to the enforcement of such term, covenant or condition. Borrower shall not be relieved or released from its obligations by reason of (a) the failure of Lender to comply with any request of Borrower to take any action to enforce any of the provisions of the Loan Documents, (b) the release, regardless of consideration, of any Person liable for the Loan or any portion thereof, or (c) any agreement or stipulation by Lender extending the time of payment or otherwise modifying or supplementing the terms of the Loan Documents. The rights of Lender under each of the Loan Documents shall be separate, distinct and cumulative and none shall be given effect to the exclusion of the others. No act of Lender shall be construed as an election to proceed under any one provision of any Loan Document to the exclusion of any other provision. Lender shall not be limited exclusively to the rights and remedies herein stated but shall be entitled to every right and remedy now or hereafter afforded at law or in equity.

10.3 Costs of Enforcement. In the event of the (a) exercise of any remedy by Lender under this Agreement or the other Loan Documents or following the occurrence of an Event of Default, (b) bankruptcy, insolvency, reorganization, rehabilitation, liquidation or other similar proceeding in respect of Borrower or an assignment by Borrower for the benefit of its creditors, (c) enforcement of any obligations of or collection of any payments due from Borrower under this Agreement or the other Loan Documents, or (d) incurring of any costs or expenses by Lender in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement and the other Loan Documents in the nature of a "work-out" or "settlement" or "compromise", then Borrower and its successors or assigns shall pay to Lender on demand any and all costs and expenses, including professional fees, reasonably incurred or

paid by Lender in connection therewith or in collecting any amount payable hereunder or in enforcing Lender's rights hereunder, whether or not any legal proceeding is commenced hereunder or thereunder and whether or not any Default or Event of Default shall have occurred and is continuing, together with interest thereon at the Default Rate from the date paid or incurred by Lender until such expenses are paid by Borrower.

11.3 Entire Agreement; Modification; Waiver. This Agreement and the other Loan Documents and instruments delivered in connection herewith constitute the entire agreement among the parties with respect to the Loan and supersede all prior agreements, written and oral, relating to the subject matter hereof. Neither Lender nor any employee of Lender has made or is authorized to make any representation or agreement upon which Borrower may rely unless such matter is made for the benefit of Borrower and is in writing signed by an authorized officer of Lender. Borrower agrees that it has not and will not rely on any custom or practice of Lender, or on any course of dealing with Lender, in connection with the Loan unless such matter is set forth in this Agreement or the other Loan Documents or in a written instrument made for the benefit of Borrower and signed by an authorized officer of Lender. No modification, waiver, amendment, discharge or change of this Agreement shall be valid unless the same is in writing and signed by the party against whom the enforcement of such modification, waiver, amendment, discharge or change is sought.

11.4 Governing Law; Jurisdiction. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED UNDER THE INTERNAL LAWS (AS OPPOSED TO THE LAWS OF CONFLICTS) OF THE STATE OF CALIFORNIA. WITH RESPECT TO ANY SUIT, ACTION OR PROCEEDINGS RELATING TO THIS AGREEMENT (EACH, A "PROCEEDING"), BORROWER IRREVOCABLY (A) SUBMITS TO THE NON-EXCLUSIVE JURISDICTION OF THE STATE AND FEDERAL COURTS HAVING JURISDICTION IN THE CITY AND COUNTY OF SAN FRANCISCO AND THE STATE OF CALIFORNIA, AND (B) WAIVES ANY OBJECTION WHICH IT MAY HAVE AT ANY TIME TO THE LAYING OF VENUE OF ANY PROCEEDING BROUGHT IN ANY SUCH COURT, WAIVES ANY CLAIM THAT ANY PROCEEDING HAS BEEN BROUGHT IN AN INCONVENIENT FORUM AND FURTHER WAIVES THE RIGHT TO OBJECT, WITH RESPECT TO SUCH PROCEEDING, THAT SUCH COURT DOES NOT HAVE JURISDICTION OVER SUCH PARTY. NOTHING IN THIS AGREEMENT SHALL PRECLUDE LENDER FROM BRINGING A PROCEEDING IN ANY OTHER JURISDICTION NOR WILL THE BRINGING OF A PROCEEDING IN ANY ONE OR MORE JURISDICTIONS PRECLUDE THE BRINGING OF A PROCEEDING IN ANY OTHER JURISDICTION. BORROWER FURTHER AGREES AND CONSENT THAT, IN ADDITION TO ANY METHODS OF SERVICE OF PROCESS PROVIDED FOR UNDER APPLICABLE LAW, ALL SERVICE OF PROCESS IN ANY PROCEEDING IN ANY CALIFORNIA STATE OR UNITED STATES COURT SITTING IN THE CITY AND COUNTY OF SAN FRANCISCO MAY BE MADE BY CERTIFIED OR REGISTERED MAIL, RETURN RECEIPT REQUESTED, DIRECTED TO BORROWER AT THE ADDRESS INDICATED ABOVE, AND SERVICE SO MADE SHALL BE COMPLETE UPON RECEIPT; EXCEPT THAT IF BORROWER SHALL REFUSE TO ACCEPT DELIVERY, SERVICE SHALL BE DEEMED COMPLETE FIVE (5) DAYS AFTER THE SAME SHALL HAVE BEEN SO MAILED.

11.5 Acquiescence Not to Constitute Waiver of Lender's Requirements. Each and every covenant and condition for the benefit of Lender contained in this Agreement may be waived by Lender; provided, however, that to the extent Lender may have acquiesced in any noncompliance with any conditions, covenants or obligations of Borrower contained herein, such acquiescence shall not be deemed to constitute a waiver by Lender of the performance by Borrower of any subsequent conditions, covenants or obligations to be performed by Borrower hereunder.

11.6 Disclaimer by Lender.

11.6.1 This Agreement is made for the sole benefit of Borrower and Lender (and Lender's successors and assigns and participants, if any), and no other person or persons shall have any benefits, rights or remedies under or by reason of this Agreement, or by reason of any actions taken by Lender pursuant to this Agreement. Lender shall not be liable to any party for any debts or claims accruing in favor of any such party against Borrower or others. Borrower is not and shall not be an agent of Lender for any purposes. Except as expressly set forth in the Loan Documents, Lender is not and shall not be an agent of Borrower for any purposes. Lender, by making the Loan or any action taken pursuant to any of the Loan Documents, shall not be deemed a partner or a joint venturer with Borrower or a fiduciary of Borrower.

11.6.2 By accepting or approving anything required to be observed, performed, fulfilled or given to Lender pursuant to the Loan Documents, including, without limitation, any certificate, financial statement, appraisal, insurance policy or other report or document, Lender shall not be deemed to have warranted or represented the sufficiency, legality, effectiveness or legal effect of the same, or of any term, provision or condition thereof, and such acceptance or approval thereof shall not constitute (i) a warranty or representation to anyone with respect thereto by Lender or (ii) a waiver of any of Borrower's obligations or liabilities under this Agreement or any of the other Loan Documents with respect to any facts, matters or circumstances disclosed in any of the reports or other documents described in this Section 11.6.2.

11.6.3 Lender neither undertakes nor assumes any responsibility or duty to Borrower to select, review, inspect, supervise, pass judgment upon or inform Borrower of any matter in connection with the Project, and Borrower shall rely entirely upon its own judgment with respect to such matters, and any review, inspection, supervision, exercise of judgment or supply of information to Borrower by Lender in connection with such matters is for the protection of Lender only and neither Borrower nor or any third party is entitled to rely thereon.

11.6.4 Lender owes no duty of care to protect Borrower with respect to any matter reviewed or investigated by Lender in connection with the Loan.

11.6.5 Lender shall not be directly or indirectly liable or responsible for any loss, claim, cause of action, liability, indebtedness, damage or injury of any kind or character to any person or property arising from any activity on, or occupancy or use of, all or any portion of any property within or upon which the Project is installed, constructed or operated, including any loss, claim, cause of action, liability, indebtedness, damage or injury caused by, or arising from: (a) any defect in the Project; (b) any act or omission of Borrower or any of its Affiliates, agents, employees, independent contractors, licensees or invitees; or (c) any accident at any property within or upon which the Project is installed or constructed or any fire, flood or other casualty or hazard thereon.

11.7 Right of Lender to Make Advances to Cure Borrower's Defaults. If (a) Borrower shall fail to perform in a timely fashion any of Borrower's covenants, agreements or obligations contained in this Agreement or the other Loan Documents, or (b) Lender determines in good faith that an emergency or other exigent circumstances exist, Lender may (but shall not be obligated to) perform any of such covenants, agreements and obligations. Any amounts expended by Lender to cure any defaults of Borrower, including any amounts expended by Lender pursuant to Section 10.1.2(a), shall constitute additional indebtedness evidenced by the Note (even if the total amount of such indebtedness would then exceed the Loan Amount), payable on demand.

11.8 Definitions Included in Agreement. Definitions contained in this Agreement which identify documents, including the other Loan Documents, shall be deemed to include all amendments and supplements to such documents from the date hereof, and all future amendments and supplements thereto entered into from time to time to satisfy the requirements of this Agreement or otherwise with the consent of Lender. Reference to this Agreement contained in any of the foregoing documents shall be deemed to include all amendments and supplements to this Agreement.

11.9 Time is of the Essence. Time is hereby declared to be of the essence of this Agreement and of every part hereof.

11.10 Execution in Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

11.11 Waiver of Consequential Damages. In no event shall Lender be liable to Borrower for consequential damages, whatever the nature of a breach by Lender of its obligations under this Agreement or any of the other Loan Documents, and Borrower, for itself and all of its Affiliates, hereby waives all claims for consequential damages.

11.12 Claims Against Lender. Lender shall not be in default under this Agreement, or under any other Loan Documents, unless a written notice specifically setting forth the claim of Borrower shall have been given to Lender within ninety (90) days after either Borrower first had knowledge of, or reasonably should have had knowledge of, the occurrence of the event which Borrower alleges gave rise to such default and Lender does not remedy or cure the default (if any) with reasonable promptness. If it is determined in any proceedings that Lender has improperly failed to grant its consent or approval, where such consent or approval is required by this Agreement or any other Loan Document to be obtained, Borrower's sole remedy shall be to obtain declaratory relief determining such withholding to have been improper, and Borrower, for itself and all of its Affiliates, hereby waive all claims for damages or set-off against Lender resulting from any withholding of consent or approval by Lender, unless Lender shall have acted in bad faith or with gross negligence.

11.13 Severability. The parties hereto intend and believe that each provision in this Agreement comports with all applicable local, state and federal laws and judicial decisions. However, if any provision or provisions, or if any portion of any provision or provisions, in this Agreement is found by a court of law to be in violation of any applicable local, state, or federal law, statute, ordinance, administrative or judicial decision, or public policy, and if such courts declare such portion, provision, or provisions of this Agreement to be illegal, invalid, unlawful, void or unenforceable as written, then it is the intent of all parties hereto that such portion, provision, or provisions shall be given force to the fullest possible extent that they are legal, valid and enforceable, and that the remainder of this Agreement shall be construed as if such illegal, invalid, unlawful, void, or unenforceable portion, provision, or provisions were not contained therein, and that the rights, obligations, and interests of Borrower and Lender under the remainder of this Agreement shall continue in full force and effect.

11.14 Jury Trial Waiver and Alternative Dispute Resolution.

11.14.1 JURY TRIAL WAIVER. BORROWER ACKNOWLEDGES THAT THE RIGHT TO TRIAL BY JURY IS A CONSTITUTIONAL ONE, BUT THAT IT MAY BE WAIVED UNDER CERTAIN CIRCUMSTANCES. TO THE EXTENT PERMITTED BY LAW, LENDER AND THE UNDERSIGNED, AFTER CONSULTING (OR HAVING HAD THE OPPORTUNITY TO CONSULT) WITH COUNSEL OF ITS CHOICE, KNOWINGLY AND VOLUNTARILY, AND FOR THE MUTUAL BENEFIT OF ALL PARTIES, WAIVES ANY RIGHT TO TRIAL BY JURY IN THE EVENT OF LITIGATION ARISING OUT OF OR RELATED TO THIS AGREEMENT OR ANY OTHER DOCUMENT (INCLUDING THE LOAN DOCUMENTS), INSTRUMENT OR AGREEMENT BETWEEN THE UNDERSIGNED AND LENDER.

11.14.2 Claims Subject to Judicial Reference: Selection of Referee. In the event that the Jury Trial Waiver set forth above is not enforceable, the Parties elect to proceed as follows: All Claims, including any and all questions of law or fact relating thereto, shall, at the written request of any party to this Agreement, be determined by reference pursuant to Section 638 et. seq. of the California Code of Civil Procedure ("Reference"), as the same may be amended from time to time, except as set forth in Section 11.14.6 below.

11.14.3 Referee. The Parties, by mutual written agreement, shall select a single neutral referee, who shall be a retired state or federal court judge or justice with at least five (5) years of judicial trial experience in civil matters. In the event that the Parties cannot agree upon a referee within ten (10) days of a written request to do so by any party, the referee shall be appointed by the Presiding Judge, or a judge designated by the Presiding Judge, of a court of competent jurisdiction located in the City and County of San Francisco, California. A request for appointment of a referee may be heard on an ex parte or expedited basis, and the Parties agree that irreparable harm would result if ex parte relief is not granted. The Parties shall equally bear the fees and expenses of the referee unless the referee otherwise provides in the statement of decision.

11.14.4 Time is of the Essence. The Parties agree that time is of the essence in conducting the Reference proceedings. Accordingly, the referee shall be requested, subject to change in the time periods specified herein for good cause shown, to (a) set the matter for a status and trial-setting conference within fifteen (15) days after the date of selection of the referee, (b) if practicable, try all issues of law of fact within one hundred twenty (120) days after the date of said conference, and (c) report a statement of decision within twenty (20) days after the matter has been submitted for decision.

11.14.5 Conduct of Reference. Except as provided in this Agreement, the Reference shall be conducted pursuant to applicable California Laws. The referee shall determine all issues relating to the applicability, interpretation, legality and enforceability of this Agreement. Except as expressly set forth in this Agreement, the referee shall determine the manner in which the reference proceeding is conducted including the time and place of hearings, the order of presentation of evidence, and all other questions that arise with respect to the course of the reference proceeding. All proceedings and hearings conducted before the referee, except for trial, shall be conducted without a court reporter, except that when any party so requests, a court reporter will be used at any hearing conducted before the referee, and the referee will be provided a courtesy copy of the transcript. The party making such a request shall have the obligation to arrange for and pay the court reporter. Subject to the referee's power to award costs to the prevailing party, the Parties will equally share the cost of the referee and the court reporter at trial. The referee shall be empowered to enter equitable as well as legal relief, enter equitable orders that will be binding on the parties and rule on any motion which would be authorized in a court proceeding, including without limitation motions for summary judgment or summary adjudication. The referee shall issue a decision pursuant to Section 644 of the California Code of Civil Procedure, as the same may be amended from time to time. The referee's decision shall be entered by the Court as a judgment or an order in the same manner as if the action had been tried by the Court. The final judgment or order from any appealable decision or order entered by the referee shall be fully appealable as provided by law. The parties reserve the right to findings of fact, conclusions of laws, a written statement of decision, and the right to move for a new trial or a different judgment, which new trial, if granted, is also to be a Reference proceeding under this provision.

11.14.6 Provisional Remedies and Self-Help. No provision of this Agreement shall limit the right of any party hereto to (a) exercise any available self-help remedies, or (b) obtain or oppose temporary, provisional or ancillary remedies from a court of competent jurisdiction before, after or during the pendency of the Reference. The exercise of, or opposition to, any such remedy does not waive the right of any party hereto to Reference pursuant to this Agreement.

11.14.7 Limitation on Damages. In the event that punitive damages are permitted under applicable California Laws, the amount thereof shall not exceed a sum equal to the amount of actual damages as determined by the referee.

11.14.8 Severability. In the event that any provision of this Agreement is found to be illegal or unenforceable, the remainder of this Agreement shall remain in full force and effect. In the event that the enabling legislation which provides for the appointment of a referee is repealed and no successor statute is enacted, any dispute between the Parties that otherwise would be determined by Reference shall be resolved and determined by binding arbitration in accordance with the California Arbitration Act, Sections 1280 through 1294.2 of the California Code of Civil Procedure, as the same may be amended from time to time. The provisions of this Agreement with respect to a Reference proceeding shall apply to

any such arbitrator, who shall have the same qualifications as the referee and who shall be selected in the same manner as the referee stated herein.

11.14.9 Multiple Claims. In the event that multiple Claims are asserted, some of which are found not subject to this Agreement, the Parties agree to stay the proceedings of the Claims not subject to this Agreement until all other Claims are resolved in accordance with this Agreement. In the event that Claims are asserted against multiple parties, some of whom are not subject to this Agreement, the Parties agree to sever the Claims subject to this Agreement and resolve them in accordance with this Agreement.

11.15 Survival of Indemnities. All indemnities of Borrower contained in this Agreement shall survive for a period of three (3) years after the payment in full and the performance of all obligations under the Loan Documents.

PROMISSORY NOTE
(Colusa - Loan No. 400119400)

\$1,200,000.00

San Francisco, California
May 12, 2017

FOR VALUE RECEIVED, BLUE SKY UTILITY, LLC, a California limited liability company, having an office at 1129 Westview Drive, Napa, California 94558 ("Borrower"), promises to pay to the order of NEW RESOURCE BANK, a California corporation, its successors, assigns and/or affiliates, having an office at 255 California Street, Suite 600, San Francisco, California 94111 ("Lender"), the principal sum of ONE MILLION TWO HUNDRED THOUSAND AND NO/100THS DOLLARS (\$1,200,000.00), together with (1) interest at the Note Rate on the principal balance of such amount from this date until the date this Note is paid in full, and (2) all other sums due under this Note and the other Loan Documents. Partial payments of principal shall be payable as set forth in that certain Loan Agreement executed concurrently herewith by Borrower and Lender (the "Loan Agreement"). Capitalized terms used and not otherwise defined herein shall have the meanings given to them in the Loan Agreement

1. Monthly Payments and Maturity. All accrued and unpaid interest on the principal balance hereof, payable in arrears, shall be due and payable monthly beginning on July 3, 2017, and continuing on the third day of each calendar month thereafter to and including the calendar month in which the Maturity Date occurs (each, a "Monthly Payment Date"). In addition, commencing on September 3, Borrower shall make monthly payments of the Amortized Principal Payment Amount (principal payments based upon a 15-year amortization as set forth in Exhibit A to the Loan Agreement), each such installment to be due and payable with Borrower's monthly payment of interest without grace or demand from Lender. The remaining unpaid principal balance hereof, together with all accrued and unpaid interest thereon and all other sums due under this Note and the other Loan Documents, if not required to be paid on an earlier date by acceleration or otherwise, shall be due and payable on the Maturity Date.

2. Interest.

2.1. The principal amount hereof outstanding from time to time shall bear interest until paid in full at the Note Rate.

2.2. Interest at the Note Rate shall be calculated on the principal sum of the entire amount from time to time outstanding hereunder, from and including the date of each advance of the Loan to, but not including, the date of repayment, for the actual number of days elapsed on the basis of a 360-day year.

3. Additional Payment Terms.

3.1. All sums payable to Lender hereunder shall be payable in Dollars in immediately available funds without deduction, set-off or counterclaim no later than 12:00 p.m. Pacific time on the date when due using the Automated Clearinghouse System (ACH System) or by wire transfer to NEW RESOURCE BANK, Reference: BLUE SKY UTILITY, LLC, Account No. 2023380, or to or from such other account or address as Lender may from time to time designate in a written notice to Borrower. Without limiting the generality of the foregoing, Borrower irrevocably authorize Lender to disburse from the Reserve Account, on a monthly basis, such sums as are necessary to pay Borrower's monthly debt service obligation under the Note, and any other amounts owing to Lender under the other Loan Documents, without further instruction from Borrower.

3.2. When any payment hereunder is due on a day that is not a Business Day, such payment shall be made on the next succeeding Business Day, and such extension of time shall be included in the computation of interest.

3.3. If at any time Borrower is required by law to make any deduction or withholding in respect of any taxes, duties or other charges from any payment due hereunder, the sum due from Borrower in respect of such payment shall be increased to the extent necessary to ensure that, after the making of such deduction or withholding, Lender receives and retains a net sum equal to the sum which Lender would have received had no such deduction or withholding been required to be made. Borrower shall promptly deliver to Lender receipts, certificates or other proof evidencing the amounts (if any) paid or payable in respect of any such deduction or withholding.

4. Prepayments.

4.1. Borrower shall have the right to make voluntary prepayments of all or any portion of the Loan evidenced by this Note, in multiples of \$25,000, in each case upon not less than five (5) calendar days prior written notice to Lender. The prepayment shall be made together with the payment of all accrued and unpaid interest on the Loan through the date of prepayment. For prepayments during the first three (3) years of the term of the Loan, other than those made pursuant to Section 4.2 below, Borrower shall pay a prepayment fee ("Prepayment Fee") calculated by multiplying the principal prepaid by the applicable percentage set forth in the following table:

Month of prepayment	1 - 12	13 - 24	25 - 36	Thereafter
Percentage	3.0%	2.0%	1.0%	Par

Lender will waive the Prepayment Fee in the event Borrower refinances the Loan with Lender. Principal amounts of the Loan which are repaid for any reason may not be reborrowed.

4.2. If at any time the Host shall exercise the right to purchase the System pursuant to the terms of the Site License, Borrower shall, within two (2) Business Days from receipt of the purchase money or termination proceeds, prepay the Loan evidenced by this Note in an amount equal to one hundred percent (100%) of the purchase money or termination proceeds received from the Host for the purchase of the System. No Prepayment Fee shall be due or payable for prepayments made pursuant to this Section 4.2.

4.3. The unpaid principal balance, all accrued and unpaid interest and all other sums due and payable under this Note and the other Loan Documents, if not sooner paid, shall be paid in full upon the occurrence of an Acceleration Event.

5. Assignees and Participants. Borrower acknowledges (a) the existence of Lender's rights under Section 8.1 of the Loan Agreement to assign, negotiate, pledge or otherwise grant participations in the Loan evidenced by this Note and the Loan Documents, and to sell and assign all or portions of the Loan and Lender's rights, benefits, entitlements, obligations and liabilities under the Loan Documents to one or more Assignees, and (b) Borrower's obligation to cooperate fully with Lender in the exercise of such rights.

6. Acceleration Upon Event of Default. Upon the happening and during the continuance of an Event of Default, at Lender's option, the entire outstanding principal amount hereof and all accrued and unpaid interest, and other amounts owing hereunder or under any other Facility Document shall become immediately due and payable, as provided in Section 10.1 of the Loan Agreement.

7. Default Interest.

7.1. Notwithstanding any provision of this Note to the contrary, (a) if any amount due under this Note (other than unpaid payments of principal and interest due hereunder), or any other Loan Documents is not paid when due and after the expiration of any applicable cure period, (b) if any monthly installment of principal and interest under this Note is not paid when due and such failure shall continue for five (5) days, or (c) if there shall occur any Event of Default (including, without limitation, the failure to pay the entire unpaid principal amount when due hereunder, whether on the Maturity Date or upon acceleration as provided hereunder), then Borrower shall pay interest on such amount (in the case of (a) and (b) above), or on the entire outstanding and unpaid principal balance of the Loan evidenced by this Note, and to the extent permitted by Law, any unpaid interest (in the case of (c) above), from and after the date on which such Event of Default shall occur, until the same is paid in full or cured, as the case may be, at the Default Rate, such interest to be payable on demand.

7.2. If any payment provided for herein or in the other Loan Documents, other than the payment of the unpaid principal balance of the Loan due on the Maturity Date, shall become overdue for a period in excess of ten (10) days, a late charge of ten cents (\$0.10) for each dollar (or any part thereof) so overdue shall become immediately due to Lender for the purpose of defraying the expenses incident to handling such delinquent payment, and such charge shall be secured by the lien of, and the security interests created by, the Loan Documents. Late charges shall be payable with the next installment of principal and/or interest due hereunder.

8. Waivers. Borrower hereby waives presentment and demand for payment, notice of dishonor, protest and notice of protest of this Note. No release of any security for the payment of this Note or extension of time for payment of any amount due hereunder and no alteration, amendment or waiver of any provision of this Note or any Loan Document made by agreement between Lender and any other person or party shall release, discharge, modify, change or affect the liability of Borrower or any guarantor under any Loan Documents.

9. Costs and Expenses. In addition to and without limiting any provision in any other Loan Document, if any payment under this Note is not made when due, Borrower agrees to pay all costs and expenses of collection when incurred (including, without limitation, attorneys' fees and disbursements). Any costs and expenses owed Lender under this section shall be added to the amount due under this Note, shall be receivable therewith and shall be secured by the lien of, and other security interests created by, the Loan Documents.

10. Usury Savings Provision. This Note is subject to the express condition that at no time shall Borrower be obligated or required to pay interest at a rate which could subject Lender to either civil or criminal liability, or which could adversely affect the rights of Lender hereunder or under any of the other Loan Documents, as a result of such rate being in excess of the maximum rate which Borrower is permitted by law to contract or agree to pay. If by the terms of this Note or any other instrument Borrower are at any time required or obligated to pay interest at a rate in excess of such maximum rate, the rate of interest under this Note shall be deemed to be immediately reduced to such maximum rate, interest payable hereunder shall be computed (or recomputed) at such maximum rate and the portion of all prior interest payments in excess of such maximum rate shall be refunded to Borrower.

11. Loan Documents. This Note is secured by the liens and security interests created by the Loan Documents.

12. GOVERNING LAW: JURISDICTION. THIS NOTE SHALL BE GOVERNED BY AND CONSTRUED UNDER THE INTERNAL LAWS (AS OPPOSED TO THE LAWS OF CONFLICTS) OF THE STATE OF CALIFORNIA. WITH RESPECT TO ANY SUIT, ACTION OR PROCEEDINGS RELATING TO THIS NOTE (EACH, A "PROCEEDING"), BORROWER IRREVOCABLY (A) SUBMITS TO THE NON-EXCLUSIVE JURISDICTION OF THE STATE AND FEDERAL COURTS HAVING JURISDICTION IN THE CITY AND COUNTY OF SAN FRANCISCO AND THE STATE OF CALIFORNIA, AND (B) WAIVES ANY OBJECTION WHICH IT MAY HAVE AT ANY TIME TO THE LAYING OF VENUE

OF ANY PROCEEDING BROUGHT IN ANY SUCH COURT, WAIVES ANY CLAIM THAT ANY PROCEEDING HAS BEEN BROUGHT IN AN INCONVENIENT FORUM AND FURTHER WAIVES THE RIGHT TO OBJECT, WITH RESPECT TO SUCH PROCEEDING, THAT SUCH COURT DOES NOT HAVE JURISDICTION OVER SUCH PARTY. NOTHING IN THIS NOTE SHALL PRECLUDE LENDER FROM BRINGING A PROCEEDING IN ANY OTHER JURISDICTION NOR WILL THE BRINGING OF A PROCEEDING IN ANY ONE OR MORE JURISDICTIONS PRECLUDE THE BRINGING OF A PROCEEDING IN ANY OTHER JURISDICTION. BORROWER FURTHER AGREES AND CONSENTS THAT, IN ADDITION TO ANY METHODS OF SERVICE OF PROCESS PROVIDED FOR UNDER APPLICABLE LAW, ALL SERVICE OF PROCESS IN ANY PROCEEDING IN ANY CALIFORNIA STATE OR UNITED STATES COURT SITTING IN THE CITY AND COUNTY OF SAN FRANCISCO MAY BE MADE BY CERTIFIED OR REGISTERED MAIL, RETURN RECEIPT REQUESTED, DIRECTED TO BORROWER AT THE ADDRESS INDICATED ABOVE, AND SERVICE SO MADE SHALL BE COMPLETE UPON RECEIPT; EXCEPT THAT IF BORROWER SHALL REFUSE TO ACCEPT DELIVERY, SERVICE SHALL BE DEEMED COMPLETE FIVE (5) DAYS AFTER THE SAME SHALL HAVE BEEN SO MAILED.

13. JURY TRIAL WAIVER AND ALTERNATIVE DISPUTE RESOLUTION. THE JURY TRIAL WAIVER AND ALTERNATIVE DISPUTE RESOLUTION PROCEDURES CONTAINED IN SECTION 11.14 OF THE LOAN AGREEMENT ARE INCORPORATED HEREIN BY REFERENCE, AND BORROWER, BY ACCEPTANCE HEREOF, EXPRESSLY ACKNOWLEDGE THAT THE SAME APPLY TO BORROWER'S OBLIGATIONS AND LIABILITIES HEREUNDER.

14. Amendments. This Note may not be modified, amended, changed or terminated orally, but only by an agreement in writing signed by the party against whom enforcement of such modification, amendment, change or termination is sought.

15. No Joint Venture. Borrower and Lender intend that the relationship created under this Note and the other Loan Documents be solely that of debtor and creditor. Nothing herein or in the other Loan Documents is intended to create a joint venture, partnership, tenancy-in-common or joint tenancy relationship between Borrower and Lender.

16. Binding Effect. This Note shall be binding upon and shall inure to the benefit of Lender, Borrower and their respective successors and permitted assigns.

17. Severability. If any one or more of the provisions contained in this Note shall be invalid, illegal or unenforceable in any respect under any applicable law, the validity, legality and enforceability of the remaining provisions contained herein shall not in any way be affected or impaired.

18. Notices. All notices and other communications hereunder to Borrower or Lender shall be sent as set forth in Section 11.2 of the Loan Agreement.

RESERVE AGREEMENT
(Colusa - Loan No. 400119400)

THIS RESERVE AGREEMENT ("Agreement") is made as of May 12, 2017, by and between BLUE SKY UTILITY, LLC, a California limited liability company, having an office at 1129 Westview Drive, Napa, California 94558 ("Borrower"), and NEW RESOURCE BANK, a California corporation, its successors, assigns and/or affiliates, having an office at 255 California Street, Suite 600, San Francisco, California 94111 ("Lender").

RECITALS

Lender and Borrower are parties to that certain Loan Agreement of even date herewith (the "Loan Agreement"), pursuant to which Lender has agreed to make a loan to Borrower in the maximum principal amount of up to ONE MILLION TWO HUNDRED THOUSAND AND NO/100THS DOLLARS (\$1,200,000.00) (the "Loan"). All capitalized terms used and not otherwise defined herein shall have the meanings given to them in the Loan Agreement.

The execution and delivery of this Agreement by Borrower is a condition precedent to the performance by Lender of its obligations under the Loan Agreement.

AGREEMENTS

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt of which is hereby acknowledged, Borrower hereby represents, covenants, warrants and agrees with Lender as follows:

1. As security for the payment of all amounts due pursuant to and the performance of all obligations arising under the Loan Documents, Borrower hereby agrees to establish and maintain three (3) interest bearing accounts (the "Reserve Account", the "Operating Account" and the "Inverter Reserve Account", respectively) at Lender's San Francisco branch. The Reserve Account will have two reserve sub-accounts, to wit: (a) a payment reserve containing not less than three (3) months' Debt Service (the "Payment Reserve"), (b) an operations and maintenance reserve containing not less than twelve (12) months' estimated operations and maintenance payments (the "O&M Reserve"), and (c) an inverter reserve to be funded over the term of the Loan to meet estimated inverter replacement costs (the "Inverter Reserve"). Upon the Closing, (i) the Payment Reserve will be funded with Loan proceeds in the amount of THIRTY THREE THOUSAND AND NO/100THS DOLLARS (\$33,000.00) (the "Minimum Payment Reserve Amount"), (ii) the O&M Reserve will be funded with Loan proceeds in the amount of EIGHTEEN THOUSAND TWO HUNDRED EIGHTY AND NO/100THS DOLLARS (\$18,280.00) (the "Minimum O&M Reserve Amount"), and (iii) the Inverter Reserve will be funded with Loan proceeds in the amount of SEVEN THOUSAND AND NO/100THS DOLLARS (\$7,000.00) (the "Annual Inverter Reserve Deposit").

2. From and after the Closing, and until the Loan is repaid in full, Borrower shall cause all Project Revenues to be deposited directly into the Reserve Account. On a monthly basis, Lender shall (a) disburse such funds as are required to meet Borrower's monthly Debt Service obligation, (b) reimburse Lender for any unpaid Loan Expenses pursuant to Article 5 of the Loan Agreement, (c) maintain or replenish the Minimum Payment Reserve Amount; (d) maintain or replenish the Minimum O&M Reserve Amount, and (e) transfer ONE TWELFTH (1/12) OF the Annual Inverter Reserve Deposit into the Inverter Reserve Account, in that order. Any remaining balance in the Reserve Account each month following the disbursements described in clauses (a) through (e) are made by Lender (the "Excess Proceeds") will be transferred by Lender into the Operating Account. Amounts maintained in the Inverter Reserve Account shall be disbursed by Lender to Borrower to reimburse Borrower for the costs incurred by Borrower for replacing System inverters no longer covered by a manufacturer or installer guarantee. Any failure of Borrower to maintain the Minimum Payment Reserve Amount, the Minimum O&M Reserve

Amount or the Annual Inverter Reserve Deposit shall be an Event of Default under this Agreement and the other Loan Documents.

3. Borrower agrees:

(a) That this Agreement shall constitute a "Security Agreement" within the meaning of the California Uniform Commercial Code with respect to all of Borrower's right, title and interest, whether now existing or hereafter arising or acquired, in, to and under the following collateral, and all replacements, substitutions and additions thereto, and the proceeds thereof (being collectively referred to herein as the "Collateral"):

(1) the Reserve Account, and all certificates and instruments, if any, from time to time representing or evidencing the Reserve Account; and

(2) all interest, dividends, cash, instruments and other property from time to time earned, accrued, received, receivable or otherwise distributed in respect of or in exchange for any or all of the then existing Collateral;

(b) That a security interest in and to the Collateral is hereby granted to Lender;

(c) That all of Borrower's right, title and interest in the Collateral hereby assigned to Lender is to secure payment of the indebtedness evidenced by, and to secure performance by Borrower of the terms, covenants and provisions of, the Loan Agreement, the Note, this Agreement and the other Loan Documents;

(d) If an Event of Default occurs hereunder, Lender shall have all remedies available to a secured party under the Uniform Commercial Code and five (5) days' notice of the sale of the Collateral shall be reasonable notice. The reasonable expenses of preparing for sale, selling and the like incurred by Lender shall include, but shall not be limited to, reasonable attorneys' fees and disbursements incurred by Lender; and

(e) This Agreement shall be self-operative with respect to the security interest granted in the Collateral, but Borrower, upon request by Lender from time to time, agrees to execute, acknowledge and deliver to Lender a separate security agreement, financing statement or other similar security instruments, in form reasonably satisfactory to Lender, covering the Collateral, whenever in the sole opinion of Lender there may be any doubt whether the title to same has been conveyed by or security interest perfected by this Agreement under the laws of the State of California, and will further execute, acknowledge and deliver or cause to be executed, acknowledged and delivered, any financing statement, affidavit, continuation statement or certificate or other document as Lender may request in order to perfect, preserve, maintain, continue and extend the security interest under and the priority of this Agreement and such security instrument. Borrower further agrees to pay to Lender on demand all costs and expenses incurred by Lender in connection with the preparation, execution, recording, filing and re-filing of any such document. To the extent permitted by the provisions of the Uniform Commercial Code, now or hereafter in effect, Borrower hereby authorizes Lender, without the signature of Borrower, to execute and file any of the documents described in this Section 2, in the event Lender shall determine that such are necessary or advisable in order to perfect Lender's security interest in the Collateral.

4. Lender may, at any time an Event of Default exists, cause all or part of the funds remaining in the Reserve Account to be immediately paid to Lender, without notice to Borrower, to be applied to repay any amounts owed pursuant to the Loan Documents, in such manner and order as Lender may elect in its sole discretion.

5. Together with the Loan Documents, this Agreement shall comprise the entire agreement between Borrower and Lender regarding the Reserve Account.

6. This instrument may be executed in counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument.

7. No amendment or waiver of any provision of this Agreement nor consent to any departure by Borrower from the terms of this Agreement shall in any event be effective unless the same shall be in writing and signed by Lender, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

8. Any notice, demand, request or other communication which any party hereto may be required or may desire to give hereunder shall be in writing and shall be deemed to have been properly given and received: (a) if hand delivered, on the day so delivered to the address set forth below; (b) if mailed, on the third Business Day after the day on which it is deposited in the United States mails in the continental United States, registered or certified mail, postage prepaid, return receipt requested, addressed as set forth below; (c) if by Federal Express or other reputable express courier service, on the next Business Day after delivery to such express courier service, addressed as set forth below; or (d) if by telecopy or electronic mail transmission, on the day and at the time on which delivered to such party at the address and the telecopier number or email address set forth below, as applicable:

7.9. To exercise any and all other rights and remedies that Secured Party may have in any jurisdiction where enforcement of this Agreement is sought, including without limitation all rights and remedies of a secured party under any applicable section of the Uniform Commercial Code. Secured Party shall have the right to enforce one or more of Secured Party's remedies successively or concurrently, and such action shall neither estop nor prevent Secured Party from pursuing any and all further remedies that it may have. No failure on the part of Secured Party to exercise, and no delay in exercising, any right or remedy shall operate as a waiver thereof or of any default, nor shall any single or partial exercise of any right or remedy preclude any other or further exercise thereof or the exercise of any other right or remedy.

8. Sale of Collateral. The following shall apply with respect to any sale, assignment, lease or other disposition of the Collateral by Secured Party pursuant to this Agreement.

8.1. Debtor shall, at Secured Party's request, make available to Secured Party the Collateral for the purpose of Secured Party taking possession of the Collateral or putting the Collateral in saleable form.

8.3. Secured Party shall give Debtor no less than five (5) days' prior written notice of any such sale, assignment, lease or other disposition. Debtor agrees that such notice is commercially reasonable and Debtor hereby waives all other notices, demands and advertisements of any kind.

8.4. Secured Party may bid or purchase at any such sale, if public, free from any right of redemption that Debtor may have, which right of redemption is hereby waived, and Secured Party may restrict the prospective bidders or purchasers at any such sale to persons who will represent and warrant that they are acquiring the Collateral for their own account and otherwise in compliance with the federal Securities Act of 1933, as amended.

8.5. Because of present or future circumstances, a question may arise under the Securities Act of 1933, as amended, as now or hereafter in effect, or any similar statute hereafter enacted

analogous in purpose or effect (such act and any such similar statute as from time to time in effect being hereinafter called the "Federal Securities Laws") with respect to any disposition of the Collateral. Debtor acknowledges that compliance with the Federal Securities Laws may strictly limit Secured Party's course of conduct in disposing of all or any part of the Collateral and may also limit the extent to which or the manner in which any subsequent transferee of the Collateral may dispose of the same, and that there may be other legal restrictions or limitations affecting Secured Party in any attempts to dispose of all or any part of the Collateral under applicable "Blue Sky" or other state securities laws or similar laws analogous in purpose or effect.

9. Facilitation of Rights and Remedies. To facilitate the exercise by Secured Party of the rights and remedies set forth in this Agreement following the occurrence of an Event of Default and the expiration of any applicable cure period, Debtor authorize Secured Party to exercise any or all of the following powers:

9.1. To enter or otherwise access such locations where the Collateral is located (subject to the rights of the Host under the Site License, tenants under the PPA or otherwise) for the purpose of taking possession of such Collateral, and to use the supplies and space of Debtor at any or all of their places of business as may be necessary or appropriate to properly administer and control the Collateral or the handling of collections and realizations thereon, at Debtor's cost and expense;

9.2. To take or bring, in Secured Party's names or in the name of Debtor, all steps, actions, suits or proceedings deemed necessary or desirable by Secured Party to effect collection or to realize upon Accounts and any other Collateral; and

9.3. To prepare, sign and file or record, for Debtor in Debtor's names, financing statements, applications, registrations and like papers.

10. Application of Proceeds. The net cash proceeds resulting from any collection, liquidation, sale or other disposition of the Collateral by Secured Party pursuant to this Agreement shall be applied first to the expenses (including reasonable attorneys' fees) of retaking, holding, preparing for sale, selling, collecting, liquidating and the like, and then to the satisfaction of other indebtedness and obligations owing by Debtor to Secured Party, application as to particular obligations or against principal or interest to be in Secured Party's absolute discretion.

11. Secured Party's Costs and Expenses. Debtor shall reimburse Secured Party on demand for all costs and expenses (including attorneys' fees) reasonably incurred by Secured Party in connection with the enforcement of Secured Party's rights under this Agreement, regardless of whether any suit is filed, including without limitation all costs and expenses incurred in checking, retaking, holding, handling, preparing for sale and selling or otherwise disposing of any and all Collateral.

12. Obligations Unconditional. Subject to any applicable notice and/or cure period, Debtor's obligation to perform and observe the agreements and covenants contained in this Agreement shall be absolute and unconditional. Until such time as all Secured Obligations have been fully paid and performed, Debtor (a) shall perform and observe all of its agreements and covenants contained in this Agreement; and (b) shall not terminate this security agreement for any cause, including without limitation any acts or circumstances that may constitute failure of consideration, destruction of, or damage to, the Collateral, commercial frustration of purpose, any change in the laws of the United States of America or of the State of California or any political subdivision of any of them, or any failure of Secured Party to perform or observe any agreement, whether express or implied, or any duty, liability or obligation, arising out of or in connection with this Agreement or otherwise.

13. Non-Liability of Secured Party. Debtor hereby agrees that neither Secured Party's acceptance of the security interests granted under this Agreement nor any exercise by Secured Party of its rights and remedies under this Agreement shall be deemed to be an assumption by Secured Party of any of Debtor's obligations and liabilities under the terms of any of the Collateral, and Debtor agrees to

indemnify and hold Secured Party harmless against any and all claims, damages, costs and expenses (including attorneys' fees) suffered or incurred by Secured Party in connection therewith.

14. Governing Law; Jurisdiction. **THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED UNDER THE INTERNAL LAWS (AS OPPOSED TO THE LAWS OF CONFLICTS) OF THE STATE OF CALIFORNIA. WITH RESPECT TO ANY SUIT, ACTION OR PROCEEDINGS RELATING TO THIS AGREEMENT (EACH, A "PROCEEDING"), DEBTOR IRREVOCABLY (A) SUBMITS TO THE NON EXCLUSIVE JURISDICTION OF THE STATE AND FEDERAL COURTS HAVING JURISDICTION IN THE CITY AND COUNTY OF SAN FRANCISCO AND THE STATE OF CALIFORNIA, AND (B) WAIVES ANY OBJECTION WHICH IT MAY HAVE AT ANY TIME TO THE LAYING OF VENUE OF ANY PROCEEDING BROUGHT IN ANY SUCH COURT, WAIVES ANY CLAIM THAT ANY PROCEEDING HAS BEEN BROUGHT IN AN INCONVENIENT FORUM AND FURTHER WAIVES THE RIGHT TO OBJECT, WITH RESPECT TO SUCH PROCEEDING, THAT SUCH COURT DOES NOT HAVE JURISDICTION OVER SUCH PARTY. NOTHING IN THIS AGREEMENT SHALL PRECLUDE SECURED PARTY FROM BRINGING A PROCEEDING IN ANY OTHER JURISDICTION NOR WILL THE BRINGING OF A PROCEEDING IN ANY ONE OR MORE JURISDICTIONS PRECLUDE THE BRINGING OF A PROCEEDING IN ANY OTHER JURISDICTION.
